1 A RESOLUTION setting Tuesday, October 24, 2017, at approximately 5:15 p.m.,
2 as the date for a public hearing on the proposed amendment to
3 Section 13.06.565 of the Tacoma Municipal Code, relating to marijuana
4 uses, as recommended by the Planning Commission.

4 WHEREAS, on June 6, 2017, the City Council adopted Resolution
5 No. 39742, requesting that the Planning Commission consider amending
6 Tacoma Municipal Code ("TMC") 13.06.565.B.3, relating to marijuana uses, by
7 adding local definitions of "playground" and "recreation center or facility" and
8 including "metropolitan parks districts" in the ownership paradigm in order to

11 set forth in the Washington Administrative Code, and
12

13 WHEREAS the proposed amendment was intended to be enacted on an

16 such time as the state corrects its own definitions, and
17

18 WHEREAS the Planning Commission completed its review of this matter,
19 including a public hearing held on September 6, 2017, and issued its Findings of
20 Fact and Recommendations Report on September 20, 2017, recommending that
21 the proposed TMC amendment could be adopted in an equally effective, yet more
22 streamlined, manner through the standard amendment process set forth in
23 TMC 13.02.045, rather than the interim zoning process set forth in
24 TMC 13.02.055, as suggested in Resolution No. 39742, and

Section 1. Definitions. For the purposes of this Franchise, the following terms, phrases, words, and their derivations shall have the meaning given herein; words not defined herein which are defined in Title 16B of the Tacoma Municipal Code (“TMC”) shall have the same meaning or be interpreted as provided in Title 16B. Words not defined here or in Title 16B shall be construed consistently with Title 47 of the United States Code, and if not therein, they shall have their common and ordinary meaning. A reference to any Title of the TMC or to the City’s Charter refers to the same as may be amended from time to time.

1.1 “City” means the City of Tacoma, a municipal corporation of the state of Washington, and all departments, divisions, and agencies thereof, including Tacoma Public Utilities.

1.2 “City Manager” means the City Manager or the City Manager’s designee.

1.3 “Communications system” refers to a telecommunications system.

1.4 “Construction, operation, or maintenance” and similar formulations of these terms mean the named actions interpreted broadly, encompassing, among other things, installation, extension, maintenance, replacement, repair, restoration, upgrade, removal, or components thereof, including relocation, undergrounding, grading, site preparation, adjusting, testing, make-ready, and excavation.

1.5 “Customer” means any Person or entity who legally receives within the corporate limits of the City any one or more of the services provided by the Telecommunications System.

1.6 "Facilities" or "Installations" are and refer to and include, but are not limited to, plant, systems, improvements, and equipment owned, leased, or otherwise used by Franchisee, such as wireless communication antennas, transmitters, receivers, equipment boxes, backup power supplies, power transfer switches, cut-off switches, electric meters, coaxial cables, poles, fiber cables, wires, telecom demarcation boxes, and related fixtures, equipment, underground circuits, and conduit in, on, over, through, across, above, along, or below Public Rights-of-Way and other property necessary or convenient for the transmission and distribution of communications service where such facilities are located.

"Facilities" or "Installations," when used without a modifier, encompass both Overhead Facilities/Installations and Underground Facilities/Installations. Nothing in this definition, or anything else in this Franchise shall be interpreted as authorizing Franchisee to construct its own support system for Overhead Facilities or any other above-ground Facilities in the Franchise Area without the additional authorizations required herein below and as proscribed by City zoning and land use regulation ordinances.

1.7 "Franchise" means the rights expressly granted by this Franchise and conditioned as set forth herein and under the TMC and City Charter.

1.8 "Franchise Area" means that area within the present and future corporate limits of Tacoma.

1.9 "Franchisee" means Seattle SMSA Limited Partnership, a Delaware limited partnership, d/b/a Verizon Wireless, registered to do business in the state of

4 from the operation of its System in the City, less uncollectibles. Gross Receipts
5 shall include, by way of example and not limitation, revenues from its
6 Telecommunications Service, all fees, late fees, installation and connection fees,
7 upgrade and downgrade fees, and rental fees. The term Gross Receipts shall not
8 include any taxes on services furnished by Franchisee imposed by any
9 municipality, state, or other governmental unit and collected by Franchisee for such
10 governmental unit, nor shall the term include any wholesale services provided by
11 Franchisee upon which fees or taxes have already been levied within the City of
12 Tacoma.

13 1.11 “Operator,” when used with reference to a System, refers to a Person
14 (a) who provides service over a Communications System and directly or through

17 management and operation of such a System. A Person that operates under
18 agreement of a Telecommunications System or a specific portion of a
19 Telecommunications System to provide Telecommunications Services shall be
20 treated as an Operator for purposes of this Franchise.

21 1.12 “Overhead Facilities” refers to existing electric poles, light poles,
22 and antenna towers located above the surface of the ground within the Public

5 hereof.

6 1.14 "Personal Wireless Facilities" are Facilities which are above ground
7 such as wireless communication antennas, transmitters, receivers, antenna
8 structures and other types of installations used for the provision of personal
9 wireless services as that term is defined in Section 704 of the 1996
10 Telecommunications Act.

11 1.15 "Public Rights-of-Way" mean the public streets and easements over
12 which, under the City Charter, the TMC, City ordinances, and applicable laws, the
13 City has authority to grant Franchises, permits, or Licenses for use thereof or has
14 regulatory authority there over, but expressly excluding railroad
15 rights-of-way/crossings, airport, and harbor areas. Public Rights-of-Way, for the
16 purpose of this Franchise, also do not include buildings, parks, poles, conduits, or
17 similar facilities or property owned by or leased to the City, including, by way of
18 example and not limitation, Overhead Facilities in the Public Rights-of-Way.

19 1.16 "System" means the Telecommunications System.

20 1.17 "Telecommunications Service" or "Service" means the transmission for
21 hire of information in electronic or optical form, including, but not limited to, voice,
22 video, or data, whether or not the transmission medium is owned by the provider
23 itself. Telecommunications Service includes wireless communication services and
24
25
26

1 telephone service, but does not include cable TV or commercial video service or
2 over-the-air broadcasts to the public-at-large from facilities licensed by the Federal
3 Communications Commission or any successor thereto.

13 Rights-of-Way through which Telecommunications Services are originated or
14 terminated. An Open Video System is not a Telecommunications System to the
15 extent that it provides only video services; a Cable System is not a
16 Telecommunications System to the extent that it provides only Cable Service. The
17 term Telecommunications System includes any of the tangible components of a
18 Telecommunications System which occupies Public Rights-of-Way.

22 communication or transmission for hire via a local telephone network, toll line,
23 channel, cable, microwave, or similar communication or transmission system by
24
25
26

1 any person. Telephone Service includes intrastate or interstate service, including
2 toll service, originating from, or received on, communications equipment or

12 2.1 Grant of Franchise. The City hereby grants to Franchisee a
13 non-exclusive Franchise which, once it becomes effective, shall authorize
14 Franchisee to use the City's Public Rights-of-Way within the Franchise Area to
15 construct, maintain, and operate a Telecommunication System to provide
16 Telecommunication Service, and to use the City's Public Rights-of-Way as
17 authorized herein. This grant of Franchise does not by itself grant any right to
18 construct new Facilities without prior City approval, which will require an additional
19 site-specific or master siting agreement in conformance with City zoning and land
20 use ordinances and applicable state laws.
21
22

23 This grant is subject to and must be exercised in strict accordance with
24 and subject to this Franchise Agreement, the Telecommunications Act
25 of 1996 § 253(c), applicable laws of the state of Washington, including, but not
26 limited to, RCW 47.24.020, RCW 35.22.280, RCW 35.99.020 and other related

laws, Title 16B and other applicable provisions of the TMC, and the Tacoma City Charter, including, but not limited to, the provisions set forth in Article VIII of the Charter and TMC Title 13, and this Franchise may be revoked under Section 2.5 if it is not so exercised. The exercise of any rights pursuant to this Franchise is subject to the exercise of the City's police powers and other regulatory powers as the City may have or obtain in the future, and all rights granted herein must be exercised in strict accordance with applicable laws, including, by way of example and not limitation, zoning codes and permitting requirements. No rights shall pass to Franchisee by implication. This Franchise shall constitute both a right and an obligation for Franchisee to provide the services of the Telecommunications System in accordance with the provisions of this Franchise in order to continue to use City Rights-of-Way.

The grant of this Franchise is limited to the purpose of Franchisee providing Telecommunications Service. This Franchise does not include permission to provide cable service, as defined in 47 U.S.C. § 522, multichannel video programming, open video systems, or uses other than Telecommunications Service.

Notwithstanding the above grant to use Public Rights-of-Way, no Public Rights-of-Way shall be used by Franchisee if the City, in its opinion, determines that such use is inconsistent with the terms, conditions, or provisions by which such Public Right-of-Way was created or dedicated, or presently used under applicable laws.

1 In the event of any conflict between a provision in this Franchise and any
2 provision of the City Charter, which Charter is incorporated herein by reference,
3 the applicable provision of the Charter shall control over any inconsistent provision
4 of this Franchise.

5 2.2 Franchise Term. The term of the Franchise shall be ten years
6 (commencing on the Effective Date defined in Section 7.6 below), unless
7 terminated sooner in accordance with this Franchise, Title 16B, or the City Charter.
8 At any time not more than 180 days nor less than 90 days before the expiration of
9 the term, Franchisee may apply to extend or renew the Franchise as provided in
10 Title 16B.02.100 and the City Charter, unless either party expresses its intention in
11 writing to terminate this Franchise at the conclusion of the current ten (10) year
12 term. If the parties fail to formally extend, renew, or terminate the Franchise prior
13 to the expiration of its term or any extension, the Franchise shall be extended on a
14 month-to-month basis until the Franchise is renewed, terminated, or extended.
15

16 2.3 Franchise Non-Exclusive. The Franchise granted herein shall be non-
17 exclusive.
18

19 2.4 Transfers, Generally.

20 A. Any transfer of this Franchise, as the term "Transfer" is defined
21 in TMC Title 16B.01.030.Y, shall be accomplished in accordance with TMC
22 Title 16B.02.120. Any Transfer not made in accordance with TMC Title 16B.02.120
23 may be considered a substantial violation of this Franchise by the City and may
24 subject the Franchise to termination proceedings by the City as provided herein and
25 in Title 16B.

B. Applications for approval of any Transfer shall be filed in accordance with procedures set out in Title 16B of the TMC.

C. Franchisee shall, within 60 days of the closing date of any Transfer, file with the City Clerk a copy of the deed, agreement, contract, mortgage, lease, SEC filing, or other written instrument evidencing such sale, lease, contractual agreement, mortgage, assignment or Transfer, certified and sworn to as correct by Franchisee, subject to any confidentiality provisions in any such document. Every such Transfer, whether voluntary or involuntary, may be deemed void and of no effect as to the effectiveness of this Franchise by the City unless Franchisee files the required copy within the 60-day period.

D. The requirements of this section shall not be deemed to prohibit the use of Franchisee's property as collateral for security in financing the construction or acquisition of all or part of the Telecommunications System franchised hereunder, provided that no such security shall purport to attach to the City's real property interest in the Public Right-of-Way or any other City interest. In addition, no such arrangement may be made if it would in any respect under any condition prevent the Operator or any successor from complying with the Franchise and applicable law. Any mortgage, pledge, or lease shall be subject to and subordinate to the rights of the City under this Franchise, and other applicable law.

E. Notwithstanding anything to the contrary contained in this Franchise, the City's consent shall not be required for a transfer to an intra-company Affiliate (as such term is defined in TMC 16B.01.030), provided that the

1 transfer is in compliance with the terms of TMC 16B.02.102.F, including, but not
2 limited to, providing the City notice of such intended transfer at least 60 days prior
3 to its occurrence.

4 2.5 Revocation. In addition to any rights set out elsewhere in this
5 Franchise, the City Charter, or Title 16B, subject to the notice and cure provisions
6 contained in Title 16B, Section 16B.05.100, the City reserves the right to declare a
7 forfeiture or otherwise revoke this Franchise, and all rights and privileges
8 pertaining thereto, as provided in Title 16B or in the event that:

9 A. Franchisee is in non-compliance with a material provision of this
10 Franchise; or

11 B. Franchisee is found to have engaged in any actual or attempted
12 fraud or deceit upon the City, Persons, or Customers in the City; or

13 C. Franchisee fails to obtain and maintain any permit required by
14 any federal or state regulatory body or by the City, relating to the construction,
15 maintenance, and operation of the Facilities within the Public Rights-of-Way within
16 the Franchise Area; or

17 D. At any time during the term of the Franchise, Franchisee fails to
18 provide and maintain all of the securities required under this Franchise, including,
19 but not limited to, the performance bond required under this Franchise; fails to
20 maintain the insurance required by this Franchise; or fails to satisfy the indemnity
21 set out in this Franchise; or if any guarantor of Franchisee revokes its guarantee or
22 fails to satisfy or becomes unable to satisfy its obligations under such guarantee.
23
24
25
26

1 E. The procedures for revocation and forfeiture shall be governed by
2 Title 16B, Section 16B.05.100. Before the Franchise is revoked, Franchisee shall
3 be given notice and an opportunity to cure at least equivalent to that required by
4 the terms of this Franchise, or if not specified herein, then as provided for in
5 Title 16B as of the effective date of this Franchise (except in those cases where
6 notice and opportunity to cure are not required, as specified in Sections 2.5.F(1)
7 and 4.3.D herein below), and shall be accorded at least an opportunity to be heard
8 that provides at least the due process protections required by Title 16B as of the
9 effective date of this Franchise, which opportunities and protections are set out in
10 Section 2.5.F below.

12 F. (1) Where, after notice and providing Franchisee an
13 opportunity to be heard (if such opportunity is requested by Franchisee), the City
14 finds that there has been an act or omission that would justify revocation of the
15 Franchise, the City may make an appropriate reduction in the remaining term of
16 the Franchise or revoke the Franchise. However, the Franchise may only be
17 revoked if Franchisee (a) was given written notice of the default; and (b) 30 days to
18 cure the default; and (c) Franchisee failed to cure the default, or to propose a
19 schedule for curing the default acceptable to the City where it is impossible to cure
20 the default in 30 days. The required written notice shall be given before the City
21 conducts the proceeding required by this paragraph. No opportunity to cure is
22 required for three (3) or more repeated violations of the same material provision of
23 the Franchise within a calendar year, and fraud, which shall be deemed incurable.
24
25
26

1 (2) Notwithstanding the foregoing, the City may declare a
2 Franchise forfeited without opportunity to cure when Franchisee: (a) fails to begin
3 to exercise its rights to use the Public Rights-of-Way for its Telecommunication
4 Services within one year of the Effective Date (defined in Section 7.6) of this
5 Franchise, (b) stops using the Public Rights-of-Way for its Telecommunication
6 Services for a period of one (1) year, (c) transfers without the prior consent of the
7 City as and when required in the Franchise, or (d) is found by a court or regulatory
8 body with appropriate jurisdiction to have defrauded or attempted to defraud the
9 City or Franchisee's customers within the City. Notwithstanding the provisions of
10 TMC 16B.05.100.C.2, if Franchisee fails to timely pay any undisputed Franchise
11 application/administrative fees or other fees owed hereunder or under Title 16B,
12 before the City can initiate any termination or forfeiture of rights, Franchisee shall
13 be provided with 30 days' prior written notice and an opportunity to cure the failure
14 to pay. However, Franchisee shall have the right to receive 30 days' prior notice of
15 an intent to declare a Franchise forfeited, and shall have the opportunity to show
16 cause why the Franchise should not be forfeited.
17

19 (3) Notwithstanding the foregoing and only to the extent
20 permitted by applicable law, the Franchise will automatically terminate by force of
21 law 120 calendar days after an assignment for the benefit of creditors or the
22 appointment of a receiver or trustee to take over the business of Franchisee,
23 whether in a receivership, reorganization, bankruptcy, assignment for the benefit of
24 creditors, or other action or proceeding. However, the Franchise may be
25 reinstated within that 120-day period if: (a) such assignment, receivership, or
26

1 trusteehip has been vacated; or (b) such assignee, receiver, or trustee has fully
2 complied with the terms and conditions of Title 16B and this Franchise and has
3 executed an agreement, approved by any court having jurisdiction, assuming and
4 agreeing to be bound by the terms and conditions of Title 16B and this Franchise.

5 However, in the event of foreclosure or other judicial sale of any of the facilities,
6 equipment, or property of a Franchisee, the City may revoke this Franchise,
7 following a public hearing before the City Council, by serving notice upon
8 Franchisee and the successful bidder at the sale, in which event Franchise and all
9 rights and privileges of this Franchise will be revoked and will terminate
10 30 calendar days after serving such notice, unless: (a) the City has approved the
11 Transfer of the Franchise to the successful bidder in writing; and (b) the successful
12 bidder has covenanted and agreed in writing with the City to assume and be bound
13 by the terms and conditions of this Franchise and Title 16B.

14
15 2.6 Continuity of Service and Right to Purchase the System.

16
17 A. In the event the City has declared a forfeiture for cause or
18 otherwise validly revoked this Franchise as provided herein, or in the event of
19 expiration of the initial term of this Franchise without this Franchise being renewed
20 or extended as provided in Section 2.2 (referred to below collectively as a
21 "termination"), Franchisee shall remove its Facilities from the Public Rights-of-Way
22 under Section 2.7, unless the City elects to purchase or condemn the Facilities as
23 provided in Sections 2.6.B or 2.6.D.

24
25 Notwithstanding the forgoing or anything to the contrary contained in
26 the TMC or City Charter, Franchisee shall have the right at any time prior to and

1 within 60 days after the effective termination, expiration, revocation, or forfeiture
2 date of this Franchise to request the City's consent to abandon all or any part of its
3 Facilities. In such event, Franchisee shall not be required to remove such
4 Facilities to the extent of the City's consents in writing to such abandonment.

5 B. In the event the City has declared a forfeiture for cause or
6 otherwise validly revoked this Franchise as provided herein, or in the event of
7 expiration of the initial term of this Franchise without this Franchise being renewed
8 or extended as provided in Section 2.2 (referred to below collectively as a
9 "termination"), the City shall have an option upon termination of the Franchise to
10 purchase that portion of the Telecommunications System located in the
11 Right-of-Way owned by Franchisee, whether termination is, or is not, for cause.
12 This option requires Franchisee to convey the Telecommunications System or
13 such portion thereof as the City may choose to purchase, provided, that nothing
14 herein shall require the City to accept or pay for any contract that it does not wish
15 to assume. Franchisee is not required to convey portions of the
16 Telecommunications System not located in the Right-of-Way, located outside the
17 City, or that is leased or used (but not owned) by Franchisee from a third party
18 pursuant to a tariff or contract. The foregoing option also requires Franchisee to
19 sell the Telecommunications System owned by Franchisee and located in the
20 Right-of-Way or such portion thereof as the City may choose to purchase at a fair
21 market price, if the Franchise is terminated for cause. If Franchisee's request for a
22 Franchise renewal is denied, the option requires Franchisee to sell the
23 Franchise renewal is denied, the option requires Franchisee to sell the
24 Telecommunications System owned by Franchisee and located in the
25
26

1 Right-of-Way or such portion thereof as the City may choose to purchase at fair
2 market value, determined on the basis of the value of the Telecommunications
3 System as a going concern (taking into account such property used and useful in
4 providing service within the City that is not to be conveyed) and with no value
5 allocated to the Franchise itself.

6 C. The City may exercise its Section 2.6.B option rights in the
7 following manner: the City will first give Franchisee written notice of its intent to
8 purchase the Telecommunications System or a portion of the Telecommunications
9 System, and request an inventory of the System or portion specified in the City of
10 Tacoma. Thereafter, Franchisee shall 60 days to produce the requested inventory
11 and the City shall have up to 180 days after receiving the inventory to notify
12 Franchisee that it intends to continue with the exercise of its right to purchase the
13 Telecommunications System or a portion of the Telecommunications System.
14 Within 90 days of the date the City notifies Franchisee of its intent to exercise the
15 option, or by such other time as the parties may separately agree, the parties shall
16 meet to establish a price that comports with the requirements of Section 2.6.B.
17 If the parties are unable to agree to a price within 180 days after the City notifies
18 Franchisee that the City intends to exercise its purchase option, either party may
19 require the price to be set by appraisal by sending the other party notice that it
20 wishes to have the price set by appraisal. Within 45 days of the date that notice is
21 submitted, each party may appoint one appraiser. If each party appoints an
22 appraiser, the two appraisers shall appoint a third appraiser; if only a single
23 appraiser is appointed (whether by mutual agreement or because of the failure of a
24
25
26

party to timely nominate an appraiser), that appraiser shall be the sole appraiser.

1 The appraiser or appraisers shall establish a price for the System or portion thereof
2 that the City desires to purchase in accordance with Section 2.6.B. This appraisal
3 determination shall be final and non-appealable. The City shall have 120 days
4 after the decision of the appraisers to notify Franchisee that it wishes to conclude
5 the transaction; if it does not so notify Franchisee, the option shall be deemed
6 terminated.
7

8 If the City gives the notice required by the preceding paragraph, the
9 parties will thereafter promptly sign all necessary documents required to close the
10 transaction; provided, however, that the City may make conclusion of the
11 transaction conditional upon any necessary voter approval of any bond funding for
12 acquisition of all or a part of the System and, if applicable, the successful sale of
13 the bonds.
14

15 The City and Franchisee will share equally the costs associated with
16 any appraiser that is jointly appointed (by them or by the appraisers each selects);
17 the City will bear costs associated with any appraiser that it separately appoints
18 and Franchisee will bear costs associated with any appraiser that it separately
19 appoints.
20

21 D. (1) Nothing in this section or in any other section of this
22 Franchise shall prevent the City's exercise of its rights under the Tacoma City
23 Charter. Included within the rights granted under Tacoma's Charter is the right to
24 purchase or condemn Franchisee's property within the Franchised Area at any
25 time, which right is expressly set out in Section 8.1(c) of the Charter as follows:

(c) To acquire by purchase or condemnation, for the use of the City itself or its inhabitants, all of the property of the grantee within the public streets, alleys, or places at a fair and just value, which shall not include any valuation of the franchise, right, or privilege, which shall thereupon terminate.

(2) Likewise, nothing in this section or in any other section of this Franchise shall be read to limit the City's right to acquire the Telecommunications System through exercise of any right of eminent domain under state law.

(3) Nothing in this section shall be read to limit the City's right to acquire the Telecommunications System as a result of abandonment.

E. In the event the City purchases, acquires, takes over, or holds all or parts of the System, as provided for in this Section 2.6, the City shall have the right, without limitation, to assign, sell, lease, or otherwise transfer its interest in all or parts of such System to any other Person or entity, including any other franchisee of a Telecommunications System, on whatever terms the City deems appropriate.

2.7 Right to Require Removal of Property/Right to Remove Property.

A. Upon termination of this Franchise, Franchisee shall remove its property from any Public Rights-of-Way and restore such Rights-of-Way to the condition required by the TMC and City Right-of-Way Restoration Policy, subject to any rights Franchisee may have to abandon its property in place, as set out in Section 2.6.A hereinabove, and any rights the City has to purchase or condemn Franchisee's property, as set out in Sections 2.6.B, Section 2.6.D and Title 16B. If Franchisee fails to remove property that the City requires it to remove after notice

1 and an opportunity to cure, the City may perform the work and collect the actual
2 cost thereof from Franchisee. The actual cost thereof, including direct and indirect
3 administrative costs, shall be a lien upon all plant and property of Franchisee
4 effective upon filing of the lien with the Pierce County Auditor. In the event that
5 Franchisee is permitted to abandon its Facilities in place, or if the City purchases
6 or condemns Franchisee's Facilities, the City acknowledges that any ownership it
7 takes in the Facilities thereafter is taken on an AS-IS, WHERE-IS basis.

8 B. To the extent any portion of Franchisee's System in the Public
9 Rights-of-Way or on any other public property of the City is not removed by the
10 Operator within either 12 months of the end of the Franchise term or 24 months
11 from receipt of the City's order to so remove, whichever is later, the property will be
12 deemed abandoned in its AS-IS, WHERE-IS condition and shall become the
13 property of the City if the City wishes to own it.

14 C. Any order by the City issued pursuant to Section 2.7.A to remove
15 Facilities shall be sent by registered or certified mail, postage prepaid, return
16 receipt requested, to Franchisee not later than 24 months following the date of
17 Franchise termination. Removal shall be completed (except with respect to
18 property that Franchisee is permitted to abandon in place) not later than 12 months
19 following the date of notification to remove the Facilities.

20 D. Franchisee shall file a written removal plan with the City not later
21 than 30 calendar days following the date of the receipt of any orders directing
22 removal or any consent to removal, describing the work that will be performed, the
23 manner in which it will be performed, and a schedule for removal by location. The
24
25
26

1 removal plan shall be subject to approval and regulation by the City, including,
2 without limitation, the City's Right-of-Way Restoration Policy. The affected
3 property must be restored in compliance with City's Right-of-Way Restoration
4 Policy; and any damage caused by Franchisee's removal must be
5 addressed/compensated to the reasonable satisfaction of the City.

6 E. The purchase option provided for in Section 2.6 does not affect
7 the City's authority to require Franchisee to remove any portion of its
8 Telecommunications System that the City will not purchase upon Franchise
9 termination, as provided in this section and Title 16B, nor does it affect the City's
10 right to assume ownership of any portion of the Telecommunications System that
11 is abandoned. Within 60 days of a request by the City, Franchisee shall execute
12 such documents as may be required to convey such abandoned property to the
13 City free and clear of all encumbrances.

14
15 2.8 Intentionally Omitted.

16
17 2.9 Responsibility for Costs. Except as expressly provided otherwise, any
18 act that Franchisee is required to perform under this Franchise shall be performed
19 at its cost. If Franchisee fails to perform work that it is required to perform within
20 the time provided for performance, the City, after first providing notice and an
21 opportunity to cure as herein provided, may perform the work and bill Franchisee
22 the actual cost thereof. Franchisee shall pay the amounts billed within 30 days of
23 receipt of an itemized bill. The parties agree that any amounts paid pursuant to
24 this section or Title 16B are not franchise fees.

2.10 Work of Contractors and Subcontractors. Work by contractors and subcontractors is subject to the same restrictions, limitations, and conditions as if the work were performed by Franchisee. Franchisee shall be responsible for all work performed by its contractors and subcontractors and others performing work on its behalf as if the work were performed by it, and shall ensure that all such work is performed in compliance with this Franchise and Title 16B, and other applicable laws, including, without limitation, the City's Right-of-Way Restoration Policy. Franchisee and its contractors and subcontractors shall be jointly and severally liable for all damages and correcting all damages they cause. It is Franchisee's responsibility to ensure that contractors, subcontractors, or other Person(s) performing work on Franchisee's behalf are familiar with the requirements of this Franchise, Title 16B, the City's Right-of-Way Restoration Policy, and other applicable laws governing the work performed by them.

2.11 Survival of Terms. Upon the termination or forfeiture of the Franchise, Franchisee shall no longer have the right to occupy the Public Rights-of-Way for the purpose of providing Telecommunications Service. However, Franchisee's obligations to the City survive the expiration of these rights according to their terms. By way of illustration and not limitation, Sections 2.6, 2.7, 2.9, 2.10, and 4 of this Franchise shall continue in effect as to Franchisee notwithstanding any expiration, forfeiture, or revocation of the Franchise, except to the extent that a City-approved transfer, sale, abandonment or assignment of the Telecommunications System is completed in accordance with the terms of this

Franchise, and another entity has assumed full and complete responsibility for the Telecommunications System or for the relevant acts or omissions.

Section 3. Operation in Streets and Rights-of-Way.

3.1 Use of Public Rights-of-Way. Franchisee may, subject to the terms of this Franchise and TMC Titles 16B and 13, the City's Right-of-Way Restoration Policy, and other applicable Laws (as defined in Section 4.7 below), construct, operate, and maintain a Telecommunications System in Public Rights-of-Way within the Franchise Area to provide Telecommunications Services. Under this Franchise, Franchisee may also construct Telecommunications Systems on Overhead Facilities, but may only do so after obtaining required permit(s) and an additional site-specific or master siting agreement from the owners of such Overhead Facilities. Without limiting the foregoing, Franchisee expressly agrees that it will construct, operate, and maintain its System in compliance with the requirements of TMC Titles 16B and 13 (zoning and land use regulation ordinances), including those governing the placement of its Telecommunications System, and with other applicable City codes; and will obtain and maintain all bonds and billable work orders required by the same.

3.2 Construction, Operation, or Maintenance. Franchisee shall, in all cases, comply with all lawful City ordinances and regulations now in effect or hereinafter enacted regarding the acquisition of permits and such other items as may be required by the City in connection with the construction, operation, or maintenance of the Telecommunications System, including, without limitation, the City's Right-of-Way Restoration Policy.

1 Without limiting the foregoing, Franchisee agrees that it shall, in the course
2 of constructing, operating, and maintaining its Telecommunications System,
3 comply with the requirements of Titles 16B and 13, and among other things:

4 A. (1) Franchisee shall, by a time specified by the City, protect,
5 support, adjust, temporarily disconnect, relocate, or remove any of its property
6 when required by the City by reason of traffic conditions; public safety; Public
7 Rights-of-Way construction; Public Rights-of-Way repair (including resurfacing or
8 widening); change of Public Rights-of-Way grade; construction, installation, or
9 repair of sewers, drains, water pipes, power lines, signal lines, tracks, or any other
10 type of government-owned Communications System, public work, public project,
11 public facility, or improvement or any government-owned utility; Public Rights-of-
12 Way vacation; or for any other purpose where the work involved would be aided by
13 the removal or temporary disconnection or relocation of the Telecommunications
14 System. Collectively, such matters are referred to below as the "public work."
15 Notwithstanding the forgoing, in the event Franchisee is required to relocate any of
16 its Facilities as provided for herein, the City shall provide Franchisee no less than
17 90 days' prior written notice thereof.
18

19
20 (2) In the event of an emergency, or where the
21 Telecommunications System creates or is contributing to an imminent danger to
22 health, safety, or property, the City may protect, support, adjust, temporarily
23 disconnect, remove, or relocate any or all parts of the Telecommunications System
24 without prior notice and charge Franchisee for the actual costs incurred; provided
25
26

1 that the City shall give Franchisee notice thereof as soon as reasonably possible
2 under the circumstances.

3 (3) In the case of non-public work, if any Person authorized to
4 place Facilities in the Rights-of-Way requests Franchisee to protect, support,
5 adjust, temporarily disconnect, remove, or relocate Franchisee's facilities to
6 accommodate the construction, operation, or maintenance of the facilities of such
7 other Person, Franchisee shall, after 90 days' advance written notice, take action
8 to effect the necessary changes requested. In the case of non-public work or non-
9 public projects, unless, and to the extent, the matter is governed by a valid contract
10 between Franchisee and such Person requesting Franchisee to take action under
11 this Subsection (3) or governed by a valid state or federal law or regulation, or
12 unless Franchisee's Telecommunications System was not properly installed, the
13 reasonable cost of the same shall be borne by the Person requesting the
14 protection, support, adjustment, temporary disconnection, removal, or relocation
15 and at no charge to the City, even if the City makes the request for such action.

16 (4) Franchisee shall, on the request of any Person holding a
17 valid permit issued by a governmental authority, temporarily raise or lower its wires
18 to permit the moving of buildings or other objects. The expense of such temporary
19 removal or raising or lowering of wires shall be paid by the Person requesting the
20 same.

21 B. Franchisee's obligation to construct, operate, and maintain its
22 Telecommunications System in compliance with all applicable laws, ordinances,
23 departmental rules and regulations, and published or otherwise readily available
24
25
26

1 practices affecting such System includes, by way of example and not limitation, the
2 obligation to construct, operate, and maintain in accordance with zoning codes,
3 safety codes and City construction standards, including the most current version of
4 the *Standard Specifications for Road, Bridge and Municipal Construction*, as
5 prepared by the Washington State Department of Transportation (“WSDOT”) and
6 the Washington State Chapter of American Public Works Association (“APWA”);
7 the most current version of the APWA Amendments to Division One, and the most
8 current version of the City of Tacoma Amendments thereto. In addition, the
9 construction, operation, and maintenance shall be performed in a manner
10 consistent with industry standards. Franchisee shall exercise reasonable care in
11 the performance of all its activities and shall use commonly accepted methods and
12 devices for preventing failures and accidents that are likely to cause damage,
13 injury, or nuisance to the public or to property. In the event that Franchisee’s work
14 or other use of the Public Right-of-Way causes damage to any City facility,
15 Franchisee shall bear the cost of repairing, or replacing as necessary, such City
16 facility.
17
18

19 C. Franchisee's construction, operation, or maintenance of its
20 Telecommunications System shall not commence until all required permits or
21 agreements have been properly filed for and obtained from the proper City officials
22 and all required permits and agreements obtained and associated fees paid. In
23 any permit so issued, the City may impose, as a condition of the granting of the
24 permit, such conditions and regulations as may be necessary to the management
25 of the Public Rights-of-Way, including, by way of example and not limitation, for the
26

1 purpose of protecting any structures in the Public Rights-of-Way, maintaining
2 proper distance from other utilities, for the proper restoration of such Public
3 Rights-of-Way and structures, and for the protection of the City and the public and
4 the continuity of pedestrian and vehicular traffic.

5 D. Franchisee must follow City-established requirements for
6 placement of Facilities in Public Rights-of-Way, including the specific location of all
7 Facilities, which includes, without limitation, Personal Wireless Facilities, in the
8 Public Rights-of-Way, and must in any event install Facilities in a manner that
9 minimizes interference with the use of the Public Rights-of-Way by others,
10 including others that may be installing Communications Facilities.
11

12 The City may require that Facilities be installed at a particular time, at
13 a specific place, or in a particular manner as a condition of access to a particular
14 Public Right-of-Way area; may deny access if Franchisee is not willing to comply
15 with the City's requirements; and may remove, or require removal of, any Facility
16 that is not installed in compliance with the requirements established by the City, or
17 which is installed without prior City approval of the time, place, or manner of
18 installation, and charge Franchisee for all the costs associated with removal; and
19 may require Franchisee to cooperate with others to minimize adverse impacts on
20 the Public Rights-of-Way through joint trenching and other arrangements
21 consistent with requirements the City imposes on other similarly situated
22 franchisees or users of the Public Rights-of-Way.
23
24

25 E. Franchisee agrees that, as a condition of a permit for installation
26 of conduit, the City may require it to install conduit in excess of its reasonably

1 foreseeable requirements for the purpose of accommodating the City where the
2 City Manager determines it is appropriate to do so to minimize disruption of public
3 passage or infrastructure, to forestall or relieve exhaustion of Right-of-Way
4 capacity, or to protect environmentally sensitive areas; provided that the City will
5 be responsible for the additional costs, including material and labor, associated
6 with installing such excess conduit if installed for City use; and provided further that
7 the City's use of any such excess conduit is limited to non-commercial,
8 governmental uses.

9
10 F. To the extent possible and technically and operationally feasible,
11 Franchisee shall use conduit existing at the time of permitting in installing its
12 System.

13 G. Subject to Subsection G.3. below, and recognizing that
14 Franchisee's antennas and associated cables are intended to be located above-
15 ground in order to provide Franchisee's telecommunication services to its
16 customers, Franchisee shall be subject to the requirement that whenever all
17 existing utilities are located underground in an area in the City, Franchisee, at its
18 own cost, must also locate its Telecommunication System underground, including
19 Telecommunication System Facilities, such as drops, which cross private property.

20
21 1. Whenever the owners of Overhead Facilities locate or
22 relocate underground within an area of the City, Franchisee shall concurrently
23 relocate its Facilities underground at its own cost.

24
25 2. Whenever an electric utility opens a trench adjacent to
26 Franchisee's Facilities for the purpose of installing or relocating utility Facilities

underground, Franchisee shall concurrently relocate its utility Facilities

1 underground, and if it uses the same trench, Franchisee shall be responsible for its
2 pro-rated share of the cost thereof.

3
4 3. The City Manager may, for good cause shown, exempt a
5 particular portion of the Telecommunication System from the obligation to locate or
6 relocate Facilities underground where relocation is impractical (e.g. in the case of
7 antennas that only function above-ground and their related equipment), or where
8 the interest in protecting against visual blight can be protected in another manner.
9 Nothing in this Section 3.2.G prevents the City from ordering Franchisee to locate
10 or relocate its Telecommunication System underground in areas where other
11 existing utilities are ordered to locate or relocate their facilities underground under
12 other provisions of the TMC, it being the intent that the number and extent of
13 Overhead Facilities and the visual pollution resulting therefrom will, over time, be
14 reduced and eventually, to the extent feasible, be eliminated.
15

16
17 H. Franchisee shall participate in conversion to underground Local
18 Improvement Districts ("LIDs") at the same time as other utilities are required to
19 participate in conversion to underground LIDs. Franchisee, at no cost to the City
20 or abutting property owners, shall share fairly with other utilities the cost of
21 undergrounding when done through the LID process. As part of its obligations
22 under the TMC, Franchisee shall provide the preliminary cost estimate, facility
23 conversion designs, and final cost estimates to any LID project coordinator in a
24 timely manner. At the request of an LID project coordinator, Franchisee shall
25 perform underground construction in coordination with the undergrounding
26

1 services provided by other LID utilities at no cost to the City or abutting property
2 owners.

3 I. Franchisee shall promptly repair any and all Public Rights-of-Way,
4 public property, or private property that is disturbed or damaged during the
5 construction, operation, or maintenance of its Telecommunications System. Public
6 property and Public Rights-of-Way must be restored in conformance with the City's
7 Right-of-Way Restoration Policy.

8 J. No tree trimming shall be performed without the permission of the
9 City and other affected authorities, and any tree trimming must be performed in
10 strict accordance with the TMC. Even if tree trimming is authorized by the City,
11 Franchisee is liable for any damage it causes during the course of tree trimming.

12 K. In any dispute over the adequacy of a restoration relative to this
13 section, the Tacoma Department of Public Works Director shall, in the Director's
14 sole discretion, make the final determination.

15 L. Franchisee shall not remove any Facilities except as hereinafter
16 provided.

17 (1) Franchisee shall not remove any Facilities which require
18 trenching or other opening of the Rights-of-Way along the extension of the
19 Facilities to be removed without the express permission of the City, which
20 permission shall not be unreasonably withheld, conditioned, or delayed.
21 Franchisee must request permission from the City to remove the Facilities at least
22 30 days in advance of the date Franchisee proposes to begin removal.
23
24
25
26

1 (2) Franchisee shall remove such Facilities as the City orders
2 it to remove; provided, that the City may not order removal where such removal is
3 primarily to give economic benefit or advantage to a competing provider of
4 Telecommunications Service.

5 (3) Where trenching or other opening of the Rights-of-Way
6 along the extension of Facilities to be removed is required, Franchisee must post
7 bonds as the City may require ensuring that the property is promptly removed with
8 minimum disruption. Franchisee must restore the affected property in
9 conformance with the City's Right-of-Way Restoration Policy; and Franchisee must
10 compensate those whose property it damages for the damage.
11

12 (4) Subject to the City's rights to purchase the
13 Telecommunications System under Section 2, Franchisee may voluntarily remove
14 any of its Facilities from the Public Rights-of-Way which have been installed in
15 such a manner that they can be removed without trenching or other opening of the
16 Rights-of-Way.
17

18 3.3 Right To Inspect and Order Corrections. The City may inspect the
19 Telecommunications System at any time reasonable under the circumstances to
20 ensure compliance with this Franchise and applicable law, including to ensure that
21 Franchisee's Telecommunications System is constructed and maintained in a safe
22 condition. If Franchisee's representatives are not on-site performing work on the
23 Telecommunications System, whenever feasible, the City shall give reasonable
24 advance notice of its intent to inspect so that Franchisee may have a
25 representative present during the inspection. If an unsafe condition is found to
26

1 exist, the City, in addition to taking any other action permitted under applicable law,
2 may order Franchisee, in writing, to make the necessary repairs and alterations
3 specified therein forthwith to correct the unsafe condition on a time table
4 established by the City which is reasonable in light of the unsafe condition. The
5 City has the right to correct, inspect, administer, and repair the unsafe condition if
6 Franchisee fails to do so in a timely manner, and to charge Franchisee therefor.

7 3.4 Information Regarding Ongoing Work. In addition to providing notice to
8 the public of ongoing work as may be required under applicable law, Franchisee
9 shall make available information regarding any ongoing construction, operation, or
10 installation of its Telecommunications System sufficient to show (1) the nature of
11 the work being performed; (2) where it is performed; (3) its estimated completion
12 date; and (4) progress to completion.

13
14 Section 4. Regulatory Provisions.

15 4.1 Intent. The City shall have the right to administer and regulate activities
16 of this Franchise up to the fullest extent of the law. The failure to reserve a
17 particular right to regulate or reference a particular regulation shall not be
18 interpreted by negative implication or otherwise to prevent the application of a
19 regulation to Franchisee.
20

21 4.2 Remedies for Franchise Violations. The City has the right to exercise
22 any and all of the following remedies, singularly or in combination, in the event
23 Franchisee violates any provision of this Franchise:
24

25 A. Draw upon the performance bond or other security provided
26 under this Franchise; provided, however, such drawing shall be only in such a

1 manner and in such amount as the City reasonably determines is necessary to
2 remedy the default. Should the City take this action, Franchisee shall be
3 responsible for all direct and actual costs related to such action, including, but not
4 limited to, actual legal and administrative costs:

- 5 B. Commencing an action at law for monetary damages;
- 6 C. Commencing an action for equitable or other relief;
- 7 D. Declaring the Franchise to be revoked; and/or
- 8 E. Seeking specific performance of any provision which reasonably
9 lends itself to such remedy.

10
11 In determining which remedy or remedies for Franchisee's violation are
12 appropriate, the City may take into consideration the nature and extent of the
13 violation, the remedy needed to prevent such violations in the future, whether
14 Franchisee has a history of previous violations of the same or similar kind, and
15 such other considerations as are appropriate under the circumstances. Remedies
16 are cumulative; the exercise of one shall not foreclose the exercise of others.

17
18 4.3 Procedure for Remedying Franchise Violations. Before imposing
19 liquidated damages or drawing upon the performance bond or any other security
20 set out in Section 6, the City shall follow the procedure below.

21
22 A. Notice of Violation. In the event that the City believes that
23 Franchisee has not complied with the terms of this Franchise, the City shall notify
24 Franchisee in writing, in compliance with Section 7.5, of the nature of the alleged
25 noncompliance.

26

1 B. Franchisee's Right to Cure or Respond. Except as provided in
2 Section 4.3.D, Franchisee shall have 30 days from the receipt of the notice
3 described above to (a) respond to the City contesting the assertion of
4 noncompliance, or (b) to cure such default or, in the event that by the nature of the
5 default such default cannot be cured within the 30-day period, initiate steps to
6 remedy such default as promptly as possible and complete the cure within a
7 reasonable time. The duty to cure includes the duty to cure all harms caused by
8 the acts or omissions of Franchisee which gave rise to the alleged non-
9 compliance. At the end of the 30-day period, Franchisee shall notify the City, in
10 writing, of the steps it has taken to cure the default, if any; if the cure is not
11 complete, the reason it is not complete and the projected date for completion; and
12 if the default is disputed, the complete basis for that contention.
13

14 C. Public Hearing. The City may schedule a public hearing to
15 investigate any alleged default. The City shall give Franchisee 20 calendar days'
16 notice of the time and place of the hearing and provide Franchisee with an
17 opportunity to be heard.
18

19 D. Action After Hearing. If the City determines after such hearing
20 that Franchisee did not timely cure or initiate steps to cure the default in a timely
21 manner satisfactory to the City after the notice required by Section 4.3.A was
22 provided, then the City may draw upon any performance bond, security fund, or
23 other security, including requiring performance under the guarantee; and impose
24 liquidated damages. However, notice and opportunity to cure are not required for
25 three (3) or more repeat violations of the same material provision of this Franchise
26

1 within a calendar year, or for fraud, which shall be deemed incurable; in such
2 cases, the performance bond, letter of credit, or other security may be drawn upon,
3 and the guarantor required to perform, and liquidated damages imposed after the
4 hearing required by Section 4.3.C.

5 E. Liquidated Damage Amounts. Because any material failure to
6 comply with the provisions of this Franchise by Franchisee will result in injury to the
7 City, and because it may be difficult to estimate the extent of each such injury,
8 Franchisee and the City agree to the following liquidated damages, which
9 provisions represent the best estimate of the damages resulting from injuries of
10 specific types. The amounts of the liquidated damages set forth in this Franchise
11 are in 2017 dollars and shall be increased each year by the increase in the U. S.
12 Department of Labor, Bureau of Labor Statistics, Consumer Price Index for Pacific
13 Cities and U. S. City Average for the greater Seattle area. The amount of
14 liquidated damages for all material violations of this Franchise for which actual
15 damages may not be ascertainable shall be: \$500 per day for each violation for
16 each day the violation continues. It is provided, however, that the City shall allow
17 Franchisee a minimum of 30 days after written notice to Franchisee of such
18 neglect, failure, or refusal to comply within which to meet compliance or correct
19 performance, prior to the assessment of any liquidated damages.
20
21
22

23 4.4 Failure to Enforce. Franchisee shall not be relieved of any of its
24 obligations to comply promptly with any provision of this Franchise by reason of
25 any failure of the City to enforce prompt compliance, and the City's failure to
26

1 enforce shall not constitute a waiver of rights or acquiescence in Franchisee's
2 conduct.

3 4.5 Force Majeure. Franchisee shall not be deemed in default with
4 provisions of this Franchise where performance was rendered impossible by war or
5 riots, civil disturbances, floods, or other natural catastrophes beyond Franchisee's
6 control; the unforeseeable unavailability of labor or materials; or power outages
7 exceeding back-up power supplies. The acts or omissions of affiliates shall not be
8 deemed to be beyond Franchisee's control, and the knowledge of affiliates shall be
9 imputed to Franchisee. This Franchise shall not be revoked or Franchisee
10 penalized for such noncompliance, provided that Franchisee takes immediate and
11 diligent steps to bring itself back into compliance and to comply as soon as
12 possible under the circumstances with this Franchise without unduly endangering
13 the health, safety, and integrity of Franchisee's employees or property, or the
14 health, safety, and integrity of the public, Public Rights-of-Way, public property, or
15 private property.
16
17

18 4.6 Alternative Remedies. No provision of this Franchise shall be deemed
19 to bar the right of the City or Franchisee to seek or obtain judicial relief from a
20 violation of any provision of this Ordinance or any rule, regulation, requirement, or
21 directive promulgated thereunder. Neither the existence of other remedies
22 identified in this Franchise nor the exercise thereof shall be deemed to bar or
23 otherwise limit the right of the City or Franchisee to recover monetary damages for
24 violations by the City or Franchisee, or to seek and obtain judicial enforcement of
25
26

1 Franchisee's or the City's obligations by means of specific performance, injunctive
2 relief or mandate, or any other judicial remedy at law or in equity.

3 4.7 Compliance with Applicable Laws. Franchisee shall comply with all
4 applicable federal and state laws and regulations, including regulations of any
5 administrative agency thereof, as well as all applicable City ordinances,
6 resolutions, rules, policies, and regulations heretofore or hereafter adopted or
7 established during the entire term of the Franchise (collectively, "Laws"); provided
8 that, nothing herein shall prevent Franchisee from challenging a provision of Laws
9 that applies only to it as an impairment of contract. Nothing in this Franchise shall
10 limit the City's right of eminent domain under state law. Nothing in this Franchise
11 shall be deemed to waive the requirements of any lawful code or resolution of the
12 City regarding permits, fees to be paid, or manner of construction.

13
14 Section 5. Reporting Requirements.

15 5.1 Quarterly Reports. Within 30 days after the end of each of Franchisee's
16 fiscal quarters, Franchisee shall submit a written report to the City which shall
17 contain a listing of all categories of Gross Receipts collected by Franchisee for its
18 business activities as identified in Section 2.1, which are activities specifically
19 taxable as a telephone business under TMC Title 6. Said written report shall be in
20 sufficient detail and with sufficient explanation to enable the City to understand the
21 report and to verify the accuracy of the report. In addition, Franchisee shall
22 provide such other reports as may be required by Title 16B.

23
24 5.2 Annual Report. In the event that changes in applicable laws allow the
25 City to require a franchise fee as referenced in Section 6 below, then no later than
26

120 days following the end of Franchisee's fiscal year each year after the
1 imposition of franchise fees, Franchisee shall present a written report to the City
2 which shall include:

3 A. Audited financial statements for (1) Franchisee and (2) any
4 affiliate which is involved in any way with the operation or ownership of the
5 System; and a financial statement for Franchisee that includes Gross Receipts
6 from all sources, gross Subscriber revenues from each category of service, as well
7 as an income statement and a balance sheet. In the event any audited financial
8 report has not been published by the date due under this section, then the audited
9 financial report shall be deemed presented on time if presented within 30 days
10 after publication.
11

12 All financial reports required under this section shall be presented to
13 the City accompanied by such notes and explanations as are required to fully
14 understand the reports. Such notes and explanations shall include, but not be
15 limited to, an explanation of any and all deductions made from Gross Receipts for
16 the calculation of Fees or taxes to be paid to the City, as well as:
17

18 1. A summary of the previous year's activities for the
19 Franchise Area, including, but not limited to, the total number of Customers, miles
20 of Facilities, any services added or dropped, and any technological changes
21 occurring in the system;
22

23 2. Plans for the future; and
24

25 3. Such other information as is required by Title 16B.
26

1 5.3 Additional Reports. Franchisee shall prepare and furnish to the City
2 within 60 days of written request, to the person and address specified in the City's
3 request, in a form reasonably prescribed by the City, such reports with respect to
4 Franchisee's operation, affairs, transactions, or property as may be reasonably
5 necessary and appropriate to ensure compliance with the material provisions of
6 this Franchise, or to permit the performance of any of the rights, functions, or
7 duties of the City in connection with the Franchise.

8 5.4 Preservation of Confidential Information. Trade secrets and confidential
9 information designated as such by Franchisee shall be subject to such protection
10 as provided in Title 16B or under chapter 42.56 RCW, or as otherwise provided by
11 applicable laws. Franchisee shall be responsible for clearly and conspicuously
12 identifying the work as confidential or proprietary, and shall provide a brief written
13 explanation regarding its position on the protected status of the information under
14 state or federal law. In the event that the City receives a public records request
15 under chapter 42.56 RCW or similar law for the disclosure of information
16 Franchisee has designated as confidential, trade secret, or proprietary, the City
17 shall promptly provide notice of such disclosure so that Franchisee can take
18 appropriate steps to protect its interests. Nothing in this section prohibits the City
19 from complying with chapter 42.56 RCW or any other applicable law or court order
20 requiring the release of public records, and the City shall not be liable to
21 Franchisee for compliance with any law or court order requiring the release of
22 public records. The City shall comply with any injunction or court order obtained by
23 Franchisee which prohibits the disclosure of any such confidential records.
24
25
26

Section 6. Compensation and Financial Provisions.

6.1 Fees.

A. State Prohibition of Franchise Fee. The parties understand that RCW 35.21.860 currently prohibits a municipal franchise fee for the intended use. Franchisee agrees that if this statutory prohibition is removed, the City may assess a reasonable franchise fee to be agreed to by the parties if the statutory prohibition is removed. The parties agree that this Section 6.1.A does not limit the right of Franchisee to challenge the franchise fee pursuant to 47 USC § 253.

B. Franchisee Subject to the City Telephone Business Tax.

Franchisee agrees that its activities in the City of Tacoma identified in Section 2.1 are activities specifically taxable as a telephone business under TMC Chapter 6A, and are taxable at the 6 percent rate specified in TMC Chapter 6A.40.050.D now in effect or as amended, which at the time of the execution of this Franchise agreement is 6 percent of Franchisee's Gross Receipts, but excluding any Gross Receipts from the provision of internet access service. It is agreed that the amount of Gross Receipts to be taxed will include the amount of tax imposed on Franchisee by City ordinance. This Franchise does not limit the City's power of taxation.

C. Franchisee Obligated to Pay Administrative Costs. In accord with

RCW 35.21.860 as presently effective, and as it may be later amended, Franchisee must pay the City an amount sufficient to recover administration expenses incurred in receiving and approving this Franchise, including, but not limited to, the reasonable costs of outside consultants retained by the City to assist

1 in the City's consideration and processing of this Franchise application. The first
2 \$5,000 of said expenses will be covered by the \$5,000 application fee deposited
3 with the City. To the extent allowed by RCW 35.21.860 or other applicable laws,
4 Franchisee may be required to pay other costs applicable to this Franchise and
5 Franchisee's activities hereunder. The amount of payment to be made by
6 Franchisee to cover these administrative costs is an amount determined to be
7 reasonable by the Franchise Services Manager. Such obligation further includes
8 municipal fees arising out of this Franchise related to receiving and approving permits
9 or licenses, inspecting plans and construction, or relating to the preparation of a
10 detailed statement pursuant to chapter 43.21C RCW. Said fees must be paid within
11 30 days of receipt of the City's billing therefor.
12

13 D. Manner of Payment; Audit. Franchisee will pay the City Telephone
14 Business Tax specified in Section 6.1B on a monthly basis accompanied by
15 Franchisee's standard remittance form which specifies the net taxable charges, the
16 local tax rate, and the local tax due, plus penalties and/or interest, if any is due.
17 Franchisee shall make all other required fee payments in the form, at the intervals,
18 and in the manner requested by the City Treasurer, and furnish the City Treasurer
19 with any information related to revenue collection functions as is reasonably
20 requested. In case of audit, the City Treasurer may require Franchisee to furnish a
21 verified statement of compliance with Franchisee's obligations or in response to any
22 questions. Said certificate may be required from an independent, certified public
23 accountant at Franchisee's expense. All audits will take place on Franchisee's
24 premises or offices furnished by Franchisee, which shall be a location within the City
25
26

1 of Tacoma or other mutually agreeable place; however, Franchisee must agree to
2 pay the associated costs of travel. Franchisee agrees, within 30 days of written
3 request of the City Treasurer, to provide, to the person and address specified in the
4 City Treasurer's request, copies of all documents filed with any federal, state, or
5 local regulatory agency, to be mailed to the City Treasurer on the same day as filed,
6 postage prepaid, affecting any of Franchisee's Facilities or business operations in the
7 City of Tacoma.

8 E. No Other Deductions. No deductions including current or
9 previously paid fees shall be subtracted from the Gross Receipts amount, except
10 as allowed under state or federal law, upon which payments are calculated and
11 due for any period, nor shall copyright fees or other license fees paid by
12 Franchisee be subtracted from Gross Receipts for purposes of calculating
13 payments.
14

15 F. Late Payments. Any fees owing which remain unpaid more than
16 10 days after the dates specified herein shall be delinquent and shall thereafter
17 accrue interest at the maximum allowable rate pursuant to RCW 19.52.020.
18

19 G. Period of Limitations. The period for commencing an action for
20 the recovery of any fee payable hereunder shall be six years from the date on
21 which payment by Franchisee is due, subject to tolling as provided as a matter of
22 law or equity. Unless within six years from and after the due date for a particular
23 payment, the City makes written request to review Franchisee's records with
24 respect to such fee payment (either individually or as part of a broader request)
25 recovery shall be barred with respect to such payment and the Franchising
26

Authority shall be estopped from asserting any claims whatsoever against
1 Franchisee relating to any alleged deficiencies in that particular payment.

2 6.2 Auditing and Financial Records. Franchisee shall manage all of its
3 operations in accordance with a policy of keeping books and records open and
4 accessible to the City. Without limiting its obligations under this Franchise,
5 Franchisee agrees that it will collect and make books and records available for
6 inspection and non-confidential books and records for copying by the City in
7 accordance with Title 16B. Franchisee shall be responsible for collecting the
8 information and producing it. Books and records shall be made available for
9 inspection to the City at the Tacoma Municipal Building or such other location as
10 the parties may agree. Notwithstanding any provision of Title 16B or this
11 Franchise, if documents are too voluminous or for security reasons cannot be
12 produced at the Tacoma Municipal Building or other mutually agreeable location
13 within the City, then Franchisee may produce the material at another central
14 location, provided it also agrees to pay the additional reasonable costs incurred by
15 the City in reviewing the materials, if such location is outside the City.
16
17
18

19 Franchisee shall take all steps reasonably required, if any, to ensure that it
20 is able to provide the City all information which must be provided or may be
21 requested under Title 16B or this Franchise, including by providing appropriate
22 Subscriber privacy notices. Nothing in this section shall be read to require
23 Franchisee to violate 47 U.S.C. §§ 222 or 551 or to disclose or make available to
24 the City any books and records protected from disclosure under other applicable
25 law. Franchisee shall be responsible for redacting any data that federal law
26

prevents it from providing to the City. Records shall be kept for at least six years.

1 In addition to maintaining all records as required by Title 16B, Franchisee shall
2 maintain records sufficient to show its compliance with the requirements of this
3 Franchise, and shall produce those records within 30 days of a City request.
4

5 Franchisee agrees to meet with a representative of the City upon request to
6 review its methodology of record-keeping, financial reporting, computing fee
7 obligations, and other procedures the understanding of which the City deems
8 necessary for understanding the meaning of reports and records.
9

10 The City agrees to request access to only those books and records, in
11 exercising its rights under this section, which it deems reasonably necessary as
12 part of a bona fide exercise of its authority over the Telecommunications System
13 under this Franchise, Title 16B or other applicable Laws. The City further agrees
14 that it will withhold from public disclosure those books and records made available
15 to it pursuant to this Section 6.2, but only to the extent that the City believes that it
16 has the discretion to do so under state law. The City will, however provide notice
17 to Franchisee of any request for such books and records so that Franchisee can
18 engage whatever protective measures are available to it.
19

20 6.3 Performance Bond. At the same time it provides its Franchise
21 acceptance to the City, Franchisee shall provide a performance bond to ensure the
22 faithful performance of its responsibilities under this Franchise and applicable law,
23 including, by way of example and not limitation, its obligations to relocate and
24 remove its facilities; and to restore City Rights-of-Way and other property. The
25 initial amount of the performance bond shall be \$250,000. The amount of the bond
26

1 may be changed from time to time to reflect changed risks to the City or to the
2 public. Franchisee may be required to obtain additional bonds in accordance with
3 the City's ordinary practices and/or pursuant to applicable TMC provisions. The
4 bond shall be in a form and with a surety (authorized to do business in the state of
5 Washington) reasonably acceptable to the City's Risk Manager and in a form
6 reasonably acceptable to the City Attorney. Franchisee shall pay all premiums or
7 costs associated with maintaining the bond, and shall keep the same in full force
8 and effect at all times during the Franchise Term.

9
10 6.4 Indemnification by Franchisee.

11 A. Franchisee, by accepting this Franchise, agrees to release the
12 City from and against any and all liability and responsibility in or arising out of, or
13 by reason of, or resulting from or of the negligent acts, errors, or omissions of
14 Franchisee during the construction, operation, or maintenance of the
15 Telecommunications System, and, without limiting the provisions of Section 7.4,
16 agrees not to sue or seek any money or damages from the City, except to the
17 extent Franchisee's Telecommunication System is damaged by the negligent acts
18 or omissions or willful misconduct of the City or its agents, or the City's violation of
19 any of the terms of this Franchise or any applicable Laws.
20

21 B. Franchisee agrees to indemnify and hold harmless the City, its
22 trustees, elected and appointed officers, agents, and employees, from and against
23 any and all claims, demands, or causes of action of whatever kind or nature, and
24 the resulting losses, costs, expenses, reasonable attorneys' fees, liabilities,
25 damages, orders, judgments, or decrees sustained by any third party arising out of,
26

1 or by reason of, or resulting from or of the acts, errors, or omissions of Franchisee
2 or its agents, independent contractors, or employees related to or in any way
3 arising out of the construction, operation, maintenance, or relocation of the
4 Telecommunications System; except to the extent caused by or arising out of the
5 City's negligence or willful misconduct. Franchisee waives immunity under
6 Title 51 RCW and affirms that the City and Franchisee have specifically negotiated
7 this provision, as required by RCW 4.24.115, to the extent it may apply.

8 C. Franchisee agrees that the covenants and representations
9 relating to the indemnity provided in Sections A and B above shall survive the
10 term/expiration/termination of this Franchise and continue in full force and effect as
11 to Franchisee's responsibility to indemnify.

12
13 6.5 Franchisee Insurance.

14 A. Franchisee shall maintain, throughout the term of the Franchise,
15 adequate insurance to protect the City, its trustees, elected and appointed officers,
16 contracted agents working under the direct control of the City of Tacoma, and
17 employees against claims and damages that may arise as a result of the
18 construction, operation, or maintenance of the Telecommunications System. The
19 City makes no representation as to what constitutes adequate insurance for
20 Franchisee's operations. The foregoing notwithstanding, Franchisee must maintain
21 at least the amounts and types of insurance required by TMC 16B.05.090.

22
23
24 B. The required insurance must be obtained and maintained for the
25 entire period Franchisee has facilities in the Public Rights-of-Way, and for six years
26 thereafter. If Franchisee, its contractors, or subcontractors do not have the

1 required insurance, the City may order such entities to stop operations until the
2 insurance is obtained and approved.

3 C. Certificates of insurance, reflecting evidence of the required
4 insurance and including the City as an additional named insured as its interest may
5 appear under this Agreement with a blanket additional insured endorsement on the
6 COMMERCIAL GENERAL LIABILITY and AUTOMOTIVE policies described in
7 TMC 16B.05.090, shall be filed with the City's Risk Manager. The certificate shall
8 be filed with the acceptance of the Franchise and annually thereafter, and as

13 A-VII in the latest edition of "Bests Key Rating Guide," published by A.M. Best
14 Guide.
15

16 E. In the event that the insurance certificate provided indicates that
17 the insurance shall terminate or lapse during the period of the Franchise,
18 Franchisee shall furnish, within 30 days of renewal, a renewed certificate of
19 insurance as proof that equal and like coverage has been obtained.
20

21 F. The City reserves the right to require any other insurance
22 coverage it deems necessary during the term of the Franchise, depending upon
23 the exposures.

24 G. It is Franchisee's responsibility to ensure that each subcontractor
25 obtains and maintains adequate liability insurance coverage, and upon request of
26 the City, Franchisee shall provide evidence of such insurance.

1 6.6 Security Fund. Franchisee shall provide the City an irrevocable (until
2 Franchisee removes all of its Facilities from the Public Rights-of-Way or the City
3 consents to abandonment of all such remaining Facilities) letter of credit in the
4 amount of \$50,000.00 as additional security to secure the payment of fees owed
5 and to secure any other performance promised to the City in this Franchise, and to
6 pay any taxes, fees, or liens owed to the City. Any letter of credit shall be in a form
7 and with an institution acceptable to the City's Director of Finance and in a form
8 acceptable to the City Attorney. Should the City draw upon the letter of credit, it
9 shall promptly notify Franchisee, and Franchisee shall promptly restore the letter of
10 credit to the full required amount. The City may from time to time change the
11 amount of the required security fund/letter of credit/assignment of funds to reflect
12 changes in the risks to the City and to the public, including delinquencies in taxes
13 or other payments to the City.
14

20

21 7.2 Guarantee of Performance. Franchisee acknowledges that it enters
22 into the Franchise voluntarily in order to secure and in consideration of the grant
23 from the City of a ten-year Franchise. Performance pursuant to the terms and
24 conditions of this Franchise agreement is guaranteed by Franchisee.

25 7.3 Governing Law and Venue. Franchise shall be governed by and
26 construed in accordance with the laws of the state of Washington without recourse

1 to any principles of Conflicts of Laws, except that where federal law preemptively
2 applies it shall control. Any litigation between the City and Franchisee arising
3 under or regarding this Franchise shall occur, if in the state courts, in the Superior
4 Court of Pierce County, and if in the federal courts, in the United States District
5 Court for the Western District of Washington.

6 7.4 No Recourse. Without limiting such immunities as the City or other
7 Persons may have under applicable law, Franchisee shall have no monetary
8 recourse whatsoever against the City or its officials, boards, commissions, agents,
9 or employees for any loss, costs, expense, or damage arising out of any provision
10 or requirement of Title 16B or because of the enforcement of Title 16B or the City's
11 exercise of its authority pursuant to Title 16B, this Franchise or other applicable
12 law, except to the extent Franchisee's Telecommunication System is damaged by
13 the negligent acts or omissions or willful misconduct of the City or its
