RESOLUTION NO. 40608

A RESOLUTION relating to City-owned real property, authorizing the Declaration of Surplus and execution of a Quitclaim Deed to convey vacant, landlocked property, located at 115 and 117 East 64th Street, to Pierce County, to clear title.

WHEREAS, the subject property, 115 and 117 East 64th Street, are two distressed, landlocked parcels acquired in 1957 by various deeds, and

WHEREAS, in 2018, a neighboring property owner engaged in discussions with the City to purchase the property, however title issues affecting the ownership hindered the ability of the City to sell the property, and

WHEREAS acquisition of the subject property is only available to the abutting properties, and/or other governmental agency not dependent on legal accesses, therefore this disposition has not solicited community engagement, and

WHEREAS, clearing title, by conveyance to Pierce County, will allow the sale and disposition of these lands, and provides the best method to return the property to active functioning sites, and

WHEREAS the City must dispose of City-owned surplus property pursuant to the City’s Policy for the Sale/Disposition of City-owned General Government Real Property, and

WHEREAS, there being no foreseeable need for continued City ownership of the Property, the sale of said Property appears to be in the best interests of the City, pending final approval from the City Council; Now, Therefore,
BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. That continued ownership of the City real property located at 115 and 117 East 64th Street, as more particularly described in Exhibit “A,” is not essential to the needs of the City and is hereby declared surplus pursuant to RCW 35.22.020, Article I, Section 1.2, and Article IX of the Tacoma City Charter.

Section 2. That the proper officers of the City are hereby authorized to enter into a Quitclaim Deed and any other documents necessary to convey the subject property to Pierce County, for the amount of $10.00, said documents to be substantially in the form of those on file in the office of the City Clerk.

Section 3. That the City Council finds that this Resolution is necessary, routine, and consistent with Governor Inslee’s emergency proclamation issued March 24, 2020, and recently extended, suspending portions of the Open Public Meetings Act.

RESOLUTION NO. 40610

BY REQUEST OF MAYOR WOODARDS, DEPUTY MAYOR BLOCKER, AND COUNCIL MEMBER WALKER

A RESOLUTION relating to Equity, Justice, and Fairness; affirming the City’s commitment to equity, justice, and fairness in its response to the novel Coronavirus; affirming the City will utilize its resources, platforms, and authority to identify and address the ways that COVID-19 is exacerbating existing inequities in the community; reaffirming the City’s commitment to anti-racism in communications related to COVID-19; and committing to lift up the medical and social needs of the most marginalized members of the community and demonstrate how centering their needs ensure the safety of the health of all.

WHEREAS, the global pandemic COVID-19 has significantly impacted the health, social, and economic fabric of the City of Tacoma, and

WHEREAS, throughout this pandemic our community has relied heavily on the labor of frontline essential workers in fields such as agriculture, cleaning, delivery and warehousing, grocery, healthcare, and public transit, and people of color are over-represented in these sectors and are at greater risk of exposure to the COVID-19 virus, and

WHEREAS, nationally, U.S. Bureau of Labor Statistics show that less than one in five black workers and roughly only one in six Hispanic workers are able to work from home, and

WHEREAS, Black, Hispanic, and Native Hawaiian and other Pacific Islanders represent a disproportionate share of the COVID-19 cases across Pierce County, with them being impacted at rates two to five times greater than white residents, and
WHEREAS, systemic racism and long-standing inequalities have resulted in communities of color being more likely to have risk factors that negatively affect their health, including the outcomes of cases of COVID-19, and

WHEREAS, these same systemic factors have resulted in communities of color being less likely to have medical insurance and access to adequate medical care during the time of this global pandemic, and

WHEREAS, COVID-19 impacts both the physical as well as the financial health of our residents, and communities of color – Black and Hispanic families in particular – are over-represented in the percentage of asset limited, income constrained, employed (ALICE) households; and

WHEREAS, National labor statistics show that people of color are more likely to be laid off, and those households that include immigrants may be ineligible for and/or reluctant to access government aid programs when facing financial hardship; and

WHEREAS, for these reasons, people of color and households that include immigrants and refugees are more likely to experience food insecurity and housing instability during this period of economic turmoil, and

WHEREAS, the City of Tacoma recognizes that lifting up the medical and social needs of the most marginalized, and being responsive to these needs improves safety and health outcomes for us all, and

WHEREAS, the City of Tacoma is an active member of the National League of Cities (NLC) and Mayor Woodards serves as a co-chair of NLC’s Race, Equity,
And Leadership Council (REAL) initiative, which encourages local leaders to introduce and adopt an equity resolution that publicly affirms the municipalities’ commitment to equity, justice and fairness in its response to the novel Coronavirus, and

WHEREAS, the City Council adopted an Equity and Empowerment Framework in 2014 and is committed to equity in our service delivery, decision making and community engagement, including our COVID-19 response, and

WHEREAS the statement on Anti-Discrimination and COVID-19 approved by the City Council on April 3rd condemned discrimination of any kind against members of our community; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. The City of Tacoma hereby affirms its commitment to equity, justice, and fairness in its response to COVID-19.

Section 2. The City of Tacoma hereby affirms its commitment to utilize our resources, platforms, and authority to identify and work to address the ways that COVID-19 is exacerbating existing inequities in our communities.

Section 3. The City of Tacoma affirms its commitment to not using fear to scapegoat communities, to not engage in language that has the impact of “othering” marginalized community members, and to promote messages of anti-discrimination in communications related to COVID-19.
Section 4. That the City Council finds that this Resolution is necessary, routine, and consistent with Governor Inslee’s emergency proclamation issued March 24, 2020, and recently extended, suspending portions of the Open Public Meetings Act.
