* * *

12.06.110 Billing - Payment of bills and delinquency.

A. The Director shall cause a bill, or statement, to be rendered to each customer for electric energy consumed and/or services rendered during the preceding period. E. Any tax now or hereafter imposed upon the sale and/or delivery of electric energy shall be added by the Department to the bills rendered for service, which bills shall be paid by the customers.

F. Meter readings may be made by the Department on a bi-monthly or other periodic basis. The Department may for any reason implement and impose charges based on estimated electrical consumption or an estimated meter reading.
