The Tacoma City Council, at its regular City Council meeting of August 2, 2022, adopted the following resolutions and/or ordinances. The summary of the contents of said resolutions and/or ordinances are shown below. To view the full text of the document, click on the bookmark at the left of the page.

**Resolution No. 41007**
A resolution appointing and reappointing individuals to the Mayor’s Youth Commission of Tacoma leadership team.
[Cathy Sims, Management Fellow; Kurtis Kingsolver, Interim Deputy City Manager, City Manager’s Office]

**Resolution No. 41008**
A resolution appointing Theresa Pan Hosley to the Tacoma Public Library Board of Trustees to fill an unexpired term to expire December 31, 2024.
[Mayor Woodards]

**Resolution No. 41009**
A resolution amending the City’s “Policy on Place Names and Name Changes”, to establish a process and criteria for consideration of official roadway naming requests and honorary roadway naming requests, and updating the process and criteria for consideration of all other naming requests of City-owned property.
[Claire Goodwin, Council Assistant for Policy Development, City Manager’s Office; Josh Diekmann, P.E. PTOE, Interim Director, Public Works]

**Resolution No. 41010**
A resolution authorizing the execution of a Letter of Agreement with District Lodge No. 160 on behalf of Local Lodge No. 297 of the International Association of Machinists and Aerospace Workers, General Unit, regarding revisions to the Solid Waste Mechanic classification minimum job requirements and compensation.
[Dylan Carlson, Senior Labor Relations Manager; Bill Fosbre, City Attorney]

**Ordinance No. 28825**
An ordinance amending Chapter 11.05 of the Municipal Code, relating to Model Traffic Ordinance, by amending various sections, to establish a default speed limit of 20 miles per hour on nonarterial streets, and to lower the speed limit from 30 miles per hour to 25 miles per hour on arterial streets in four Neighborhood Business Districts: 6th Avenue, Lincoln, McKinley Hill, and Old Town; and adding a new Section 11.05.515, entitled “Twenty-five miles per hour limit - Streets designated”; effective January 1, 2023.
[Carrie Wilhelme, Senior Transportation Planner; Josh Diekmann, P.E. PTOE, Interim Director, Public Works]
RESOLUTION NO. 41007

BY REQUEST OF MAYOR WOODARDS, DEPUTY MAYOR USHKA, AND COUNCIL MEMBER BLOCKER

A RESOLUTION relating to committees, boards, and commissions; appointing and reappointing individuals to the Mayor’s Youth Commission of Tacoma leadership team.

WHEREAS vacancies exist on the Mayor’s Youth Commission of Tacoma leadership team, and

WHEREAS, at its virtual meeting of June 18, 2022, the Mayor’s Youth Commission of Tacoma elected a new leadership team, and have submitted their names for confirmation to said commission, and

WHEREAS, pursuant to City Charter Section 2.4, the persons named on Exhibit “A” have been nominated to serve on the Mayor’s Youth Commission of Tacoma leadership team; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

That those nominees to the Mayor’s Youth Commission of Tacoma leadership team, listed on Exhibit “A,” are hereby confirmed and appointed or reappointed as members of such commission for such terms as are set forth on the attached Exhibit “A.”

EXHIBIT “A”

MAYOR’S YOUTH COMMISSION OF TACOMA LEADERSHIP TEAM

Appointing Chloe Mau to the Justice & Safety Committee Chair position to serve a one-year term, to expire June 30, 2023.

Appointing Anastasia Markham to the Environmental Health Committee Chair position to serve a one-year term, to expire June 30, 2023.

Appointing Leo Maffei to the Social Health Committee Chair position to serve a one-year term, to expire June 30, 2023.

Appointing Beyla Kisembo to the Social Health Committee Vice-Chair position to serve a one-year term, to expire June 30, 2023.

Appointing Joshua Mathews to the Education, Arts & Culture Committee Chair position to serve a one-year term, to expire June 30, 2023.

Reappointing Tara Ryan to the Commission Chair position to serve a one-year term, to expire June 30, 2023.

Reappointing Tara Zolfaghari to the Commission Vice-Chair position to serve a one-year term, to expire June 30, 2023.
RESOLUTION NO. 41008

BY REQUEST OF MAYOR WOODARDS

A RESOLUTION relating to committees, boards, and commissions; appointing Theresa Pan Hosley to the Board of Trustees for the Tacoma Public Library.

WHEREAS a vacancy exists on the Board of Trustees for the Tacoma Public Library ("TPL"), and

WHEREAS, under Tacoma City Charter Section 2.4, appointments may be made by a majority vote of the City Council from names presented in writing to the City Council by the Mayor, and

WHEREAS, Joseph Colón was appointed to a five-year TPL Board of Trustees term in March of 2020, and has resigned from his position effective July 20, 2022, therefore, a new Trustee needs to be appointed to fill this vacancy, and

WHEREAS the Mayor has nominated Theresa Pan Hosley to serve on the Board of Trustees of the TPL to fill the unexpired term to expire on December 31, 2024; Now, Therefore,
BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

That Theresa Pan Hosley is hereby appointed to serve on the Board of Trustees of the Tacoma Public Library to fill an unexpired term to expire on December 31, 2024, and until a successor is appointed.

RESOLUTION NO. 41009

A RESOLUTION relating to municipally-owned property, including roadways; amending the City’s Policy on Place Names and Name Changes to establish a process and criteria for consideration of official roadway naming requests and honorary roadway naming requests, and updating the process and criteria for consideration of all other naming requests of City-owned property.

WHEREAS the City’s Policy on Place Names and Name Changes (“Policy”) sets criteria and parameters around the naming of municipally-owned property, including roadways, and

WHEREAS, on July 23, 2019, the City Council adopted Resolution No. 40380, directing the City Manager to review and make recommendations regarding the Policy by Fall 2019, and

WHEREAS the former Policy scope included buildings, bridges, real property, and rights-of-way, including roadways, and

WHEREAS, on August 20, 2019, the City Council adopted Resolution No. 40408, which amended the Policy with regard to buildings, bridges, and other real property, but excluded roadways, and included the following changes:

- Established the Mayor’s Office as the initial receiver of a naming request, rather than the Landmarks Preservation Commission;
- Established the Infrastructure, Planning, and Sustainability Committee as the primary reviewer of a naming request, rather than the Landmarks Preservation Commission;
- Added equity and inclusion as a naming criteria;
- Removed the restriction that prevented City property from being named after living individuals; and
- Removed roadway naming from the Policy due to its complex nature and additional time needed to develop a policy, and

WHEREAS staff is proposing additional changes to the Policy to incorporate official roadway naming requests and honorary roadway naming requests back into

-1-
the Policy and to update the process and criteria for consideration for all other
naming requests of City-owned interests in real property, rights-of-way, and
infrastructure, as follows:

1. Establish clear application criteria and a review process for official
roadway renaming and honorary roadway naming requests;

2. Establish special criteria for honorary roadway naming requests
originating from the Puyallup Tribe of Indians or designee within
the boundaries of the 1873 survey area of the Puyallup
Reservation;

3. Establish the Mayor’s Office as the initial receiver of roadway
naming requests;

4. Establish a representative from the Public Works Department to
serve as the coordinator for roadway naming requests to facilitate
the review process, presentation to the Infrastructure, Planning,
and Sustainability Committee, and presentation to the City
Council, if applicable. A representative from the City Manager’s
Office is designated for buildings, structures, real property, and
non-roadway rights of way naming requests;

5. Create two internal ad hoc workgroups to review naming requests
based on the naming category to ensure application materials for
a naming request are complete and naming criteria is met;

6. Modify the criteria and review process for buildings, real property,
and non-roadway rights-of-way to align with the criteria and
review process of roadway naming requests; and

7. Provide clear options to the Infrastructure, Planning, and
Sustainability Committee and City Council on actions possible
when presented with naming requests, and

WHEREAS extensive background research and outreach among internal
municipal departments was conducted to ensure clarity in process, sound criteria,
and establish key internal subject matter experts to participate in the ad hoc
workgroups, and

WHEREAS the proposed Policy changes were also reviewed by external
stakeholders, including South Sound 911, Pierce Transit, and the Puyallup Tribal
Council, and the Policy content regarding honorary naming requests initiated by the Puyallup Tribal Council or designee within the 1873 Survey Area of the Puyallup Reservation was developed in close coordination with staff representing the Puyallup Tribe of Indians; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

That the City’s Policy on Place Names and Name Changes, which sets criteria and parameters around the naming of municipally-owned property, including roadways, is hereby amended to establish a process and criteria for consideration of official roadway naming requests and honorary roadway naming requests, and to update the process and criteria for consideration of all other naming requests of City-owned property, as set forth in the attached Exhibit “A.”

Deputy City Attorney
City of Tacoma
Policy on Place Names and Name Changes
Previously Adopted by Council Resolution 40408 (August 20, 2019)
Proposed Revisions

SECTION 1: PURPOSE OF THIS POLICY

1. In the event that the City of Tacoma wishes to confer a specific name on municipally-owned interests in real property, rights of way, and infrastructure, the following policy is adopted.

2. The criteria contained within this policy should also be followed in reviewing or preparing the City of Tacoma’s official comments or recommendations to State, Federal, and/or intergovernmental boards taking actions regarding geographic names, naming, or renaming.

SECTION 2: SCOPE OF THIS POLICY

1. This policy affects municipally-owned interests in real property, rights of way, and infrastructure within the boundaries of the City of Tacoma only.

2. The following types of municipally-owned interests in real property, rights of way, and infrastructure are included within the scope of this policy (referred to hereafter as “property”):
   a. Buildings and structures, including overpasses, bridges and viaducts.
   b. Real property, including open spaces and parks.
   c. Public rights of way that may include, but not be limited to, trails, esplanades, and pathways (referred to hereafter as “non-roadway rights of way”).
   d. Public rights of way and portions of real property that serve as public streets, highways, or roadways, whether improved or unimproved (referred to hereafter as “roadways”).

3. The process and criteria for naming or renaming municipally owned properties described in this policy do not apply to the following types of property or circumstances:
   a. Generally, historically designated properties for which a historic name has been indicated on a nomination form and accepted for use on a historic register, are excluded from this policy except when the City Council, in its discretion, determines that such a change supports a broad policy initiative.
   b. Public art installations that have been commissioned and/or accessioned with a title that serves as the name of the piece.
   c. Rights of Way and streets.
   d. Limited access highways operated by the Washington State Department of Transportation such as Interstate 5, Interstate 705, State Route 16, and State Route 167.
   e. Private facilities, private roadways, roadways owned by other agencies, such as the Port of Tacoma, and roadways operated by other agencies, such as Metro Parks Tacoma. Naming or renaming private roadways and roadways owned or operated by other agencies shall apply the development review process and standards established in the City of Tacoma’s Right-of-Way Design Manual.
SECTION 3: GENERAL PROCEDURES FOR CONSIDERING NAMING PROPOSALS AND NAME CHANGE REQUESTS

1. Naming proposals may be made by the Mayor or members of the City Council, or by
   the community via the Mayor’s Office. When a proposal is received, the Mayor’s
designated staff will coordinate with the Executive Liaison to determine scheduling and
next steps, as outlined in this policy:

   a. The Infrastructure, Planning and Sustainability Committee is generally the committee
      that oversees the naming request process and makes recommendations to City Council
      for naming requests.

   b. When a proposal is received, Council Committee may, at its discretion and depending
      on the nature of the request, seek input and feedback on the request with appropriate
   City Departments, Divisions, and Boards and Commissions name changes, including:
      i. Public Works, Traffic Engineering and the Transportation Commission
      ii. honorary roadway naming Tacoma Fire Department, Police Department and other
         appropriate public safety agencies
      iii. Office of Equity and Human Rights
      iv. Planning and Development Services, Historic Preservation Office and the
         Landmarks Preservation Commission.

   c. Following its review, the Committee may make a recommendation to City Council to
      adopt the proposal, or the Committee may defer if additional information is required, or
      deny the proposal if it does not appear to meet the criteria in this policy.

   d. Upon receiving a recommendation from Committee, City Council may schedule a
      public hearing to receive public comment for items of significant public interest.

   e. Names given under this policy shall be presented via Council Resolution, except where
   applicable City, State or Federal regulations require other specific legislation.

2. Naming requests from the community shall be submitted to the Office of the Mayor, who shall
   determine whether the proposal is appropriate according to the criteria in this policy for additional
   consideration to the Council Committee as described above. Proposals that do not appear to
   meet the criteria or that do not appear to be of benefit to the City or its residents may be removed
   from further consideration.

3.1 Requests to the Mayor made by the community shall be submitted in writing to the Mayor’s Office,
   and should, at minimum, include the following:

   a. For all naming proposals:
      a. i. A map illustrating the area affected by the proposal.
      b. ii. Any existing place, street right of way or facility names that would be affected.
      c. iii. Any common usage names or nicknames for the area or its elements, including
              topographical landmarks.
      d. iv. Representative photographs of the area.
      e. v. A statement of the criteria in this policy that apply to the request, and how the
            proposal meets these criteria.
      f. vi. A summary of any public outreach conducted to date, including to neighborhood
            associations, Neighborhood Councils, Business District Associations, and
commercial property owners’ groups, include any media coverage or public meetings. This may include any statements of support or endorsement received. Applicants are encouraged to seek public support prior to submitting a request for name changes. Puyallup Tribal Council or designee initiated honorary requests within the 1873 survey area of the Puyallup Reservation should demonstrate broad community support in the vicinity of the location of the honorary name.

vii. A description of any plans for interpretive measures to be taken by the sponsor if the naming request is approved, particularly including signs, interpretive panels, and any that would require additional permitting. For roadway naming, design review for conformance with federal standards and installation must be conducted by the City’s Public Works Department.

viii. Consultation with the Puyallup Tribal Council or markers designee and adherence to appropriate tribal practices or protocols if the proposed name could portray tribal significance, including association with an individual, organization or event.

b. Additionally for roadway and non-roadway rights of way naming, including honorary naming, but excluding Puyallup Tribal Council or designee initiated honorary naming within the 1873 survey area of the Puyallup Reservation:

i. A signed petition in support of the renaming must be solicited and submitted by the proponents of the renaming prior to consideration by the City of at least two-thirds of property owners abutting the linear frontage of the affected roadway and fifty percent of those property owners within five hundred feet of the proposal. Such a petition shall be implemented at the sole expense of the proponent(s); however, the City may provide a list of affected taxpayers of record. Proponents are encouraged to use this as an opportunity to educate abutting property owners and neighbors about the importance and significance of the naming request. Given the changing makeup of neighborhoods, this step may be particularly important to gain the support of newer members of the community.

4.2. Naming proposals should be reviewed for consistency with the City’s stated policies and goals towards equity and inclusion.

3. AtProposals that do not appear to meet the criteria as established in this policy, or that do not appear to be of benefit to the City or its discretion, residents, may be removed from further consideration.

4. Naming proposals (whose content is described in Section 3, Subsection 1) may be made by the Mayor, members of the City Council may adopt alternate or special procedures, or by the community via the Mayor’s Office. Additional steps include:

a. For buildings, real property, and non-roadway rights of way:

i. When a naming or renaming proposal is received in the Office of the Mayor, the Mayor’s policy staff will coordinate with the City Manager’s Office.

ii. For proposals that pass an initial vetting, the City Manager’s Office designated staff shall convene an ad hoc workgroup consisting of representatives from Traffic Engineering, Real Property Services, Office of Equity and Human Rights, the Historic Preservation Officer when the proposal has historical significance, and Government Relations when the proposal has Tribal significance to determine completeness of a submitted application and determine that the criteria as described in this policy has been met. For naming proposals in a language other than English, the ad hoc workgroup may seek translation services. If the
workgroup determines an application is incomplete or the criteria has not been met, the City Manager’s Office designated staff shall inform the applicant and advise on resubmitting.

iii. The City Manager’s Office designated staff shall share the recommendations from the ad hoc workgroup with the City Attorney’s Office for legal review.

b. For roadways:

i. When a proposal for an official renaming or honorary naming is received in the Office of the Mayor, the Mayor’s policy staff will coordinate with the Public Works Department.

ii. For proposals that pass an initial vetting, the Public Works Department designated staff shall convene an ad hoc workgroup consisting of a representative from Traffic Engineering; Real Property Services; the City Manager’s Office; the Office of Equity and Human Rights; the Historic Preservation Officer when the proposal has historical significance; and Government Relations when the proposal has Tribal significance to determine completeness of a submitted application and determine that the criteria as described in this policy has been met. For naming proposals in a language other than English, the ad hoc workgroup may seek translation services. If the workgroup determines an application is incomplete or the criteria has not been met, the Public Works designated staff shall inform the applicant and advise on resubmitting. If the workgroup determines an application is complete and the criteria as established in this policy has been met, the Public Works designated staff will solicit feedback from the following, at a minimum:
   • Planning and Development Services
   • South Sound 911
   • Pierce Transit

iii. The Public Works Department designated staff shall share the recommendations from the ad hoc workgroup with the City Attorney’s Office for legal review.

c. Next steps for all naming proposals:

i. The Infrastructure, Planning and Sustainability Committee is generally the committee that oversees naming requests and makes recommendations to City Council for further consideration.

ii. The designated staff as established in Section 3, Subsection 4.a. and b., shall coordinate with the Executive Liaison of the Infrastructure, Planning and Sustainability Committee to determine scheduling and present the applicant’s proposal along with the feedback from the designated Departments and staff listed in this policy.

iii. Following the Committee’s review, the Committee may defer the proposal if additional information is required, deny the proposal if it does not appear to meet the criteria as established in this policy, or forward to the City Council with or without recommendation for the Council’s consideration.

iv. Upon receiving a recommendation or no recommendation from the Council Committee, City Council will schedule a public hearing to receive public comment for official roadway renaming and may schedule a public hearing to receive public comment for honorary roadway naming requests or for items with significant public interest.

v. Naming requests proposed in accordance with this policy shall be presented via Council Resolution, except where applicable City, State or Federal regulations.
vi. Council approved naming proposals shall be effective immediately, except official roadway renaming, which shall be effective six months after Council adoption.

vii. Should a naming request be approved by City Council, the designated staff shall inform the following stakeholders of the outcome, at a minimum:
- South Sound 911
  - Executive Director
- Pierce Transit
  - Executive Director
  - Special Events Coordinator
  - Scheduling Principal Planner
- Tacoma Police Department
  - Police Chief
  - Administrative Services Bureau
- Tacoma Fire Department
  - Fire Chief
  - Fire Department Manager
  - Assistant Fire Chief – Operations Division
  - Fire Communications Center Supervisor
  - Fire Communications Center Captain
  - Office Administrator

5. SECTION 4: NAMING CRITERIA

The following criteria are recommended for the City Council’s consideration when considering potential naming proposals:

1. **City’s discretion.** The City will consider naming proposals but is under no obligation to accept a proposal.

2. **Avoid duplication.** New names should avoid duplicating or reusing names that are already used in other locations.

3. **Context, geographical location and natural or geological features.** Names may be based on location or distinctive, predominant and defining natural or geological features of an area. Such proposals should be given names that directly reflect or are contextually related to the history of the site.
   
   a. Common usage names that have developed over time shall be favored. Facilities Property may be given official designations based on common usage by residents of an area, such as topographical features, nearby schools, or historical plat names.
   
   b. Names of features indicated on general usage maps for fifty years or more should only be changed when the proposed name is supported by other City policies, priorities or initiatives.

4. **Historical Significance.** A facility may be given a name based on significance. Naming proposals with historical significance should meet one of the following criteria:
   
   a. The name is associated with a historically significant event or for events reflecting broad patterns of Tacoma’s history.
   
   b. The name is associated with the lives of persons of citywide significance in Tacoma’s
past;

c. The name reflects a distinctive architectural or engineering achievement;

d. The name is related to an existing or proposed registered historic property or district; or

e. The name would highlight previously under-documented or poorly understood historical narratives; or

4. Equity, inclusion, and reconciliation. New names and name changes may be conferred as a part of the City’s ongoing efforts toward improving social and racial equity, inclusion, and reconciliation.

5. Contributions. New facilities may be named for an individual or organization if that individual or organization has made a significant direct property or monetary contribution to the City of Tacoma, consistent with the City’s relevant acceptance policies, for purposes of developing that particular building or facility, and the naming is a stipulation of the donation.

e. Specific to buildings, the name reflects a distinctive architectural or engineering achievement.

6. Civil Service. Property may be named for individuals who have enhanced the quality of life for Tacoma residents through outstanding public service, including:

a. Leadership in civic organizations devoted to community improvement;

b. Outstanding humanitarian work, such as service to assistance for the persons who are underprivileged, economically disadvantaged, and the disabled populations of the city; and/or have a disability; or

c. Leadership in events and programs that have broadly enriched the quality of life for Tacoma residents.

6. Equity, inclusion, and reconciliation. Portions of property may be named for an individual or organization if that individual or organization has made a significant direct property or monetary contribution to the City of Tacoma, consistent with the City’s relevant acceptance policies, for purposes of developing that particular piece of property, and the naming is a stipulation of the donation.

7. Contributions. Exclusive of public roadways, property may be named for an individual or organization if that individual or organization has made a significant direct property or monetary contribution to the City of Tacoma, consistent with the City’s relevant acceptance policies, for purposes of developing that particular building or facility, and the naming is a stipulation of the donation.

7.8. Segments of property. For buildings and facilities, portions of a facility may have another name than that of the entire facility or features may be dedicated to or in honor of a person such as “Tide Pool – Cecil Brosseau” and “Owen Beach” at Point Defiance.

SECTION 5: ADDITIONAL NAMING CRITERIA FOR ROADWAYS

1. Official renaming general principles. In general, official renaming of existing roadways is discouraged except when:

a. A naming effort is part of a larger, coordinated and planned effort involving multiple segments of roadway; or

b. A naming effort has historical significance including at least one of the following:

   i. The name is associated with a historically significant event or for events reflecting broad patterns of Tacoma’s history;

   ii. The name is associated with the lives of persons of citywide significance in Tacoma’s past; or

   iii. The name would highlight previously under-documented or poorly understood historical narratives.
2. Costs. City costs involved in name changes of a roadway, including honorary naming, shall generally be the responsibility of the applicant.

3. Specific rules. Roadway names, including honorary names, shall not:
   a. Impair the ability of emergency services to respond to emergencies or impair the City’s ability to deliver services;
   b. Be renamed, or receive an honorary name, if the roadway has been named, renamed, or assigned an honorary name within the previous 15 years - only one honorary roadway name shall be permitted at a time for each roadway segment;
   c. Result in, or be perceived to confer, any competitive advantage, benefit or preferential treatment or advertisement to the named party, or a product, service or a particular business;
   d. Be or be perceived to be discriminatory or derogatory of race, color, ethnic origin, gender identity or expression, sex, sexual orientation, creed, political affiliation, disability or other social factors;
   e. Result in inappropriate abbreviations or acronyms; or
   f. Result in any duplicate named intersections.

4. Special consideration. In recognition that the City of Tacoma rests on the traditional lands of the Puyallup People where they make their home and speak the Lushootseed language, Puyallup Tribal Council or designee initiated proposals within the 1873 survey area of the Puyallup Reservation will be given special consideration as described in Section 5, Subsection 5.a. of this policy.

5. Languages other than English.
   a. All areas within the 1873 survey area of the Puyallup Reservation within the City of Tacoma shall also be eligible for honorary names in the Lushootseed language as proposed by the Puyallup Tribal Council or designee. Naming proposals in Lushootseed shall undergo the same process as honorary naming and adhere to the same criteria as honorary naming, except as described in Section 3, Subsection 1. Puyallup Tribal Council or designee initiated honorary naming shall be exempt from the signed petition requirement, and instead, proposals shall demonstrate broad community support in proximity of the honorary naming proposal. The Lushootseed language shall be prioritized for honorary naming proposals within the 1873 survey area of the Puyallup Reservation within the City of Tacoma.
   b. Proposals for honorary names in languages other than English are allowed.
   c. Proposals for names in languages other than English may require translation services to support City review.

6. Prefixes and suffixes for streets. Prefixes and suffixes for street names are assigned by the Public Works Department to ensure the appropriate title is used to describe the type, function, length and configuration of the street.
   a. The street name prefix shall consist of “N,” “S,” or “E,” according to the following:
      i. “N” – All streets north of Division Avenue/6th Avenue between Commencement Bay and Tacoma Narrows
      ii. “S” – All streets south of Division Avenue and west of ‘A’ Street except for those areas included under west end streets
      iii. “E” – All streets between ‘A’ Street and Marine View Drive
   b. The street name suffix shall consist of “W” or “NE” according to the following:
      i. “W” – All streets south of South 19th Street and west of Orchard Street
      ii. “NE” – All streets east of Marine View Drive
   c. The street type suffixes shall be assigned based on the following:
i. “Avenue” - May only be used for north/south oriented streets or when streets are skewed from actual north/south, shall only be used when parallel streets are of the same type.

ii. “Street” - May be used for north/south or east/west oriented streets; may not be used for north/south numbered streets; and when streets are skewed from actual north/south or east/west, shall only be used when parallel streets are of the same type.

iii. “Drive,” “Blvd,” “Way,” “Lane,” “Road,” and “Place” - May only be used for meandering streets which cannot conform to “Avenue” or “Street” criteria shown above.

iv. “Court” - May only be used in conjunction with “Street” or “Avenue” where alignment is slightly offset from the street or avenue.

7. Roadway grid layout. Renaming of existing rights of way shall only occur at existing shifts in the roadway grid layout or where there are clear topographical or geographical shifts in the grid layout.

8. Length of time. For honorary naming, the length of time the honorary name shall remain in place is generally 15 years. After 15 years, should the applicant or applicant’s designee wish to extend the time for which the honorary name is in place, a formal request may be made to the Mayor’s Office. The applicant or applicant’s designee shall submit a letter requesting the extension stating the exact location of the request and the honorary name in place. The Public Works representative shall convene the ad hoc workgroup for feedback on the request and follow the same process for approval as new honorary naming requests as described beginning in Section 3, Subsection 4.b.ii. The lifespan of a sign for honorary naming is generally between ten and 15 years. If the Public Works representative determines the honorary name sign requires replacement, the costs for replacement are generally the responsibility of the applicant or applicant’s designee.

SECTION 6: ALTERNATIVES TO ROADWAY RENAMING

1. Interpretive plaques. Interested parties are encouraged to consider alternatives to roadway renaming for the commemoration of individuals or organizations. For example, with applicable permitting, interpretive plaques at key locations on buildings or sites, or where appropriate, with sidewalk environments (space permitting) or other visible pedestrian areas.

2. Honorary naming. Applicants are advised that while any change to roadway names are significant, historic and honorary names face fewer process hurdles as underlying legal descriptions and addressing do not need to be modified.

   a. An honorary naming designation may be given to certain sections of existing roadways to commemorate the lives of important community members. A commemorative sign, with applicable permitting, may be mounted with the official name for a defined length of the roadway, if approved, and generally at the expense of the applicant(s).

   b. The City shall develop and provide a standard sign specification for approved proposals.

   c. The same process for consideration and approval, required application materials, and naming criteria for official roadway name changes shall be used for honorary naming.
RESOLUTION NO. 41010

A RESOLUTION relating to collective bargaining; authorizing the execution of a Letter of Agreement negotiated between the City of Tacoma and the District Lodge No. 160 on behalf of Local Lodge No. 297 of the International Association of Machinists and Aerospace Workers, General Unit, regarding revisions to the Solid Waste Mechanic classification minimum job requirements and compensation.

WHEREAS the City has, for years, adopted the policy of collective bargaining between the various labor organizations representing employees and the administration, and

WHEREAS Resolution No. 40496, adopted December 3, 2019, authorized the execution of the four-year Collective Bargaining Agreement ("CBA") between the City of Tacoma and the District Lodge No. 160 on behalf of Local Lodge No. 297 of the International Association of Machinists and Aerospace Workers, General Unit ("Union"), on behalf of the employees represented by said Union, and

WHEREAS the City and Union have negotiated a Letter of Agreement ("LOA") to the CBA which provides for the following: (1) all employees in the Solid Waste Mechanic classification must complete a welding training program or equivalent training; (2) a wage increase for the Solid Waste Mechanic classification of 7 percent will be applied retroactive to June 6, 2022; (3) confirming compensation for employees attending welding training during regular work hours, and may include overtime; and (4) confirming compensation for one employee, Jesse Harris, for time spent in welding training from March 28, 2022, to June 1, 2022, and
WHEREAS it appears in the best interest of the City that the LOA negotiated by said Union and the City be approved; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

That the proper officers of the City are hereby authorized to execute the Letter of Agreement negotiated between the City of Tacoma and the District Lodge No. 160 on behalf of Local Lodge No. 297 of the International Association of Machinists and Aerospace Workers, General Unit, said document to be substantially in the form of the document on file in the office of the City Clerk.

AN ORDINANCE relating to the Model Traffic Ordinance; amending Chapter 11.05 of the Tacoma Municipal Code by amending Section 11.05.510, entitled “Twenty miles per hour limit - Streets designated,” to establish a default speed limit of 20 miles per hour on nonarterial (residential) streets; adding a new Section 11.05.515, entitled “Twenty-five miles per hour limit – Streets designated”; and amending Section 11.05.520, entitled “Thirty Miles per hour limit – Streets designated,” to lower the speed limit from 30 miles per hour to 25 miles per hour on arterial streets in four Neighborhood Business Districts: Old Town, 6th Avenue, Lincoln, and McKinley Hill, to become effective on January 1, 2023.

WHEREAS the link between speed and injury severity in crashes is consistent, direct, and especially critical for more vulnerable roadway users, and

WHEREAS, on February 18, 2020, the City Council adopted Resolution No. 40559, committing to Vision Zero and setting a goal to eliminate traffic fatalities and serious injuries by 2035, and

WHEREAS safe speeds are a primary element of Vision Zero’s Safe Systems approach; lowering speeds improves safety by reducing the frequency and severity of crashes, improving visibility, providing additional time for drivers to stop, and reducing the potential for fatal or severe injuries by lowering impact forces, and

WHEREAS Revised Code of Washington (“RCW”) 46.61.415 permits local governments the authority to establish a speed limit of 20 miles per hour (“mph”) on a nonarterial street without an engineering or traffic investigation, and

WHEREAS the majority of streets in Tacoma’s Neighborhood Business Districts are classified as arterials, and RCW 46.61.400 sets a minimum speed
limit of 25 mph on arterial streets and further requires an engineering or traffic
study to change the speed limit on an arterial street, and

WHEREAS Resolution No. 40559 directed the City Manager to work with
staff to complete a study on the state of speed and safety in Tacoma and consider
a default speed limit of 25 mph on arterial streets and 20 mph on residential
streets, and

WHEREAS the study was initiated in September 2021, with a focus on all
residential streets and arterial streets within Neighborhood Business Districts,
which are meant to provide services to the surrounding community, serve as a
place for neighbors to gather, and be pedestrian-friendly destinations, and

WHEREAS traffic studies were conducted on arterial streets located within
Neighborhood Business Districts as defined by Title 1 of the Tacoma Municipal
Code, and

WHEREAS the traffic studies analyzed land use and road characteristics,
five-year crash data trends, and speed and volume data, and found that four
Neighborhood Business Districts have conditions in place which would support
lowering the arterial speed limit from 30 mph to 25 mph: 6th Avenue, Old Town,
McKinley Hill, and Lincoln, and

WHEREAS, given that people who are walking or biking are twice as likely
to live after being hit by a car at 25 mph than at 30 mph, this small speed limit
reduction doubles the odds of survival, and

WHEREAS the study recommendations were finalized in April 2022, and
an overview of the findings and speed limit reduction recommendations were presented to the City Council at its Study Session of June 7, 2022, and

WHEREAS staff will collect pre- and post-speed data, and report the findings to the Transportation Commission within one year of speed reduction implementation; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. That Chapter 11.05 of the Tacoma Municipal Code, relating to the Model Traffic Ordinance, is hereby amended as set forth in the attached Exhibit “A,” to become effective on January 1, 2023.

Section 2. That the City Clerk, in consultation with the City Attorney, is authorized to make necessary corrections to this ordinance, including, but not limited to, the correction of scrivener’s/clerical errors, references, ordinance numbering, section/subsection numbers, and any references thereto.
