RESOLUTION NO. 41197

BY REQUEST OF MAYOR WOODARDS, DEPUTY MAYOR WALKER, AND COUNCIL MEMBERS DANIELS AND USHKA

A RESOLUTION relating to gun violence; acknowledging the devastating impact of gun violence in our country and in Tacoma; naming the disparity of those impacts on Black youths, boys, and children; affirming the City of Tacoma’s ongoing commitment to decreasing violence in our community; and directing the City Manager to implement a range of immediate actions related to bolstering community safety and the wellbeing of Tacoma’s youth.

WHEREAS the youth in our country are experiencing surging levels of gun violence, creating a dire crisis that has no quick fix and reached alarming new heights in 2020, when gun violence became the leading cause of death for Americans under the age of eighteen, and

WHEREAS nationally, gun violence has shown no signs of being a temporary phenomenon among youths in America and has risen steadily and sharply throughout the past decade, and

WHEREAS gun violence is affecting American youths in disparate ways – as of 2021, Black children were about five times more likely to die from gunfire than their White counterparts, and in addition, boys, and those ages 12-17 account for most gun-related deaths, and

WHEREAS, the City’s youth are not immune to gun violence, and we have already lost beloved children, many of whom are youths of color, cherished by their families and friends, with full lives ahead of them, and

WHEREAS, in the City, as across our country, youths are not only victims of gun violence but are also finding ways to access firearms, with 10 percent of
children in Tacoma Public Schools participating in the Healthy Youth Survey in 2021 claiming it would be easy to get access to a gun, and

WHEREAS, while we recognize and do not seek to infringe on law-abiding Americans’ Second Amendment rights to keep and bear arms, legally purchased guns are being stolen in record numbers, from 2017 to 2021 more than one million firearms were stolen from private citizens across the United States, a number that is likely vastly underrepresented because it includes only thefts reported to authorities, and

WHEREAS, in the City, a gun is stolen from a vehicle in Tacoma every 57 hours and failures to safely store legally purchased firearms are resulting in firearms ending up in the hands of youths and an unknown number of guns illegally circulating in our community, and

WHEREAS the tragic loss of life from gun violence has far-reaching consequences in our City because gun violence does not only irrevocably change or cut lives short, but it also traumatizes perpetrators, witnesses, and families, while stoking stress, fear, and anxiety in our schools and neighborhoods, and

WHEREAS, we recognize and applaud the efforts undertaken thus far in the City, State, and Nation to address gun violence and safe storage, we commend the steady and committed work of our community partners who are working closely with at-risk youth and helping to educate us all, and we see great value in the City, State, and Nation’s efforts to fund violence prevention programs, and

WHEREAS we seek to maintain the City’s commitment to investing in services that increase safety and supports systems, while decreasing violence in
our community, such as our past work on the 2022 Youth and Young Adult Violence Assessment and our 2019 Tacoma Gang Assessment, and

WHEREAS the City contracts with 11 agencies representing 19 programs, including 12 new programs, and the City has increased the youth violence reduction budget by $870,086 in 2023-2024, including a $400,000 grant received from the Department of Commerce, Office of Firearm Safety and Violence Prevention, to reach a total of $2,044,852, and

WHEREAS, in response to the alarming year-over-year increase in youth deaths due to gun violence, Mayor Woodards convened representatives from concerned government agencies, including Tacoma, Pierce County and its Juvenile Court, Metro Parks Tacoma, Tacoma-Pierce County Health Department, Tacoma Public Schools, the Puyallup Tribe of Indians, and Pierce Transit, beginning in January 2023 to discuss shared concerns and a collaborative approach to this important issue, and this resolution seeks to capture the outcomes of those conversations to date, and

WHEREAS it takes all of us, working as a village, to ensure every student is safe, healthy, engaged, and supported, and we have an opportunity to act alongside our community partners, cooperatively aligning existing resources to address youth violence to expand summer programming in the spirit of the Whole Child initiative, and

WHEREAS, because violence often presents itself within a complex set of issues which can be societal, systemic, cyclical, or intergenerational in nature, we must work in concert to address community safety and youth violence in a
sustained manner, and the City is developing a Community Safety Plan using a public health lens, defined and driven by community voices, and

WHEREAS, the unacceptable number of our youth affected by gun violence, the human anguish spurred by the death and maiming of our children, and the increasing availability of illegally obtained firearms in our community, demands urgent and immediate action aimed at enhancing violence prevention efforts, especially to protect our Black male children; Now, Therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TACOMA:

Section 1. The City Manager is hereby directed to provide $200,000 in funding for safe space for youth and $100,000 in funding for youth programming for the summer of 2023.

Section 2. That the City Manager is hereby directed to ensure that the ongoing work to create a Community Safety Plan includes an effort to: (1) identify a set of data-driven goals for reducing gun violence in Tacoma and disrupting the cycle of violence affecting young people, (2) identify pathways beyond policing to help achieve strategic outcomes and violence prevention, and (3) place a priority focus on youths of color, boys, and those ages 12-18.

Section 3. That the City Manager is hereby directed to research the feasibility of enhancing efforts to prevent legally purchased firearms from being used illegally by or against youths, such as increasing the accessibility of gun safes and trigger locks, and to evaluate whether there are unrealized or underutilized opportunities in the Bipartisan Safer Communities Act, signed into law in June 2022, that could help curb the spread of unlawfully obtained firearms in the City.
Section 4. The City Manager is hereby directed to undertake efforts to work with public policy research organizations on youth asset mapping and work towards expanding community partnerships and programming specific to violence prevention among male youths of color who are ages 12-18.

SUPPLEMENTAL ORDINANCE NO. 28881

AN SUPPLEMENTAL ORDINANCE of the City of Tacoma, Washington, relating to Tacoma Power; authorizing a second amendment to the Note Purchase Agreement related to the City's Electric System Subordinate Revenue Note, Series 2020 (Taxable); delegating the authority to approve the final terms of the amendment; and approving certain other matters in connection therewith.

WHEREAS the City of Tacoma, Washington ("City"), by Ordinance No. 23514, passed on November 20, 1985 (as amended and supplemented, including as amended and restated by Ordinance No. 28146, passed on April 30, 2013, collectively, the "Senior Bond Ordinance"), authorized electric system revenue bonds of the City ("Senior Bonds") to be issued in series having a parity of lien and charge on the Revenues of the Electric System after the payment of Operating Expenses (as those terms are defined therein), if certain conditions are met, and made covenants in connection with the issuance of such Senior Bonds, and

WHEREAS the Senior Bond Ordinance permits the City to issue obligations that are junior and subordinate to the payment of the Senior Bonds and that are payable out of Revenues of the Electric System, after payment of Operating Expenses, only after the prior payment of all amounts required to be paid or set aside under the Senior Bond Ordinance for the Senior Bonds, as the same shall become due at the times and in the manner as required in the Senior Bond Ordinance, and

WHEREAS on April 21, 2015, the City Council passed Ordinance No. 28295 (as amended, the "Master Subordinate Ordinance") to authorize a new issue of
revenue bonds of the City, junior and subordinate to the Senior Bonds, to be
known as the City of Tacoma Electric System Subordinate Revenue Bonds
(“Subordinate Bonds”) in one or more series to finance costs of the Electric
System, and

WHEREAS pursuant to the Master Subordinate Ordinance and Ordinance
No. 28669 adopted on May 5, 2020 (the “First Supplemental Ordinance”), the City,
acting through its Department of Public Utilities, Light Division (d/b/a “Tacoma
Power”) issued its Electric System Subordinate Revenue Note, Series 2020
(Taxable), to evidence a revolving line of credit in the principal amount of not to
exceed $100,000,000 outstanding at any time (the “2020 Note”), and

WHEREAS the 2020 Note was sold to and purchased by KeyBank National
Association (“Purchaser”) pursuant to the terms of the Note Purchase Agreement
dated May 21, 2020 (the “Original Note Purchase Agreement”), between the
Purchaser and the City, acting by and through its Public Utilities Board (the
“Board”), and

WHEREAS pursuant to Ordinance No. 28772 adopted on August 3, 2021
(the “Second Supplemental Ordinance”) and the First Amendment to Note
Purchase Agreement dated September 16, 2021 (the “First Amendment” and
together with the Original Note Purchase Agreement, the “Amended Note
Purchase Agreement”), the City and the Purchaser agreed to reduce the available
principal amount of the 2020 Note to $50,000,000, to extend the final maturity of
the 2020 Note and to amend certain provisions of the Original Note Purchase Agreement, as set forth therein, and

WHEREAS the 2020 Note currently bears interest at a variable rate based on the London Interbank Offered Rate (“LIBOR”), and

WHEREAS LIBOR is scheduled to be discontinued as of June 30, 2023, and

WHEREAS in anticipation of the pending unavailability of LIBOR, the Amended Note Purchase Agreement reflected certain terms related to alternate benchmark rates, including the Secured Overnight Financing Rate (“SOFR”), and

WHEREAS Tacoma Power has requested that the interest rate on the 2020 Note be converted to an index rate based on SOFR and the Board has initiated and recommended to the City Council for its approval a second amendment to the Amended Note Purchase Agreement (the “Second Amendment,” and the Amended Note Purchase Agreement, and as it may be further amended, is referred to as the “Note Purchase Agreement”) to reflect the terms, and
WHEREAS the City Council now desires to authorize the execution of the Second Amendment and related documents subject to the terms and conditions set forth in this Supplemental Ordinance; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

ARTICLE I
DEFINITIONS

Section 1.1. Definitions and Interpretation of Terms. Unless otherwise defined in the recitals and elsewhere in this Supplemental Ordinance, capitalized terms used herein shall have the meanings set forth in the Master Subordinate Ordinance, as previously amended.

ARTICLE II
PARITY AND OTHER FINDINGS

Section 2.1. Parity Findings. In connection with the 2020 Note, the City hereby makes the following findings:

A. There is, and as of the effective date of the Second Amendment there will be, no deficiency in the Bond Fund, and no Event of Default has occurred or shall have occurred and being continuing.

B. The principal of and interest on the 2020 Note shall continue to be paid out of the Bond Fund and subject to the terms of the Master Subordinate Ordinance, the First Supplemental Ordinance, the Second Supplemental Ordinance, this Supplemental Ordinance and the Note Purchase Agreement.
C. On the effective date of the Second Amendment, there will be on file with the City, if necessary, a certificate satisfying the conditions set forth in Section 6.1 of the Master Subordinate Ordinance.

Section 2.2. Findings as to Sufficiency of Gross Revenue. The City hereby confirms, finds, and determines that the Revenues of the Electric System at the rates to be charged for power and other services and commodities from the Electric System will be more than sufficient to meet all Operating Expenses, to make all required payments with respect to the Senior Bonds, and to permit the setting aside into the Bond Fund out of the Revenues of amounts sufficient to pay the principal of and interest on the 2020 Note when due at maturity and upon any mandatory sinking fund redemption thereof. The City further finds and determines that in creating the Bond Fund and in fixing the amounts to be paid into the Bond Fund, it has exercised due regard for Operating Expenses, and the City has not bound and obligated itself to set aside and pay into the Bond Fund a greater amount or proportion of the Revenues than in the judgment of the City will be available over and above the Operating Expenses.

ARTICLE III
AUTHORIZATION

Section 3.1. Authorization.

A. The City Council has determined that it would be in the best interest of the City to delegate to the Director of Public Utilities and the Tacoma Power
Superintendent (each, a “Designated Representative”), for a limited time the
authority to approve the terms of the Second Amendment, as provided herein.

Subject to the terms and conditions set forth in this Section 3.1, each
Designated Representative is hereby authorized to approve the final terms of the
Second Amendment and to agree to any additional terms and covenants that are

outstanding at any time remains not to exceed $50,000,000;

(b) The final maturity of the 2020 Note remains no later than December 1,
2024; and

(c) The interest rate on draws on the line of credit represented by the
2020 Note does not exceed a variable rate equal to the Term SOFR Rate (as
declared in the Second Amendment) plus 54 basis points for funds used, and 20
basis points for funds not drawn under the Note Purchase Agreement, as such
terms may be adjusted under the Note Purchase Agreement; provided, that the
2020 Note may be subject to a standby letter of credit fee of not to exceed 125
basis points and an issuance fee of not to exceed $200 for the portion, if any, of
the 2020 Note converted to a letter of credit in accordance with the Note Purchase
Agreement, and to a default rate upon the occurrence and continuation of an Event
of Default as provided for in the Note Purchase Agreement.
Subject to the terms and conditions set forth in this Section 3.1, each Designated Representative is hereby authorized to approve the final terms and conditions of the Second Amendment in coordination with Bond Counsel, the Municipal Advisor and the City Attorney’s Office, to agree to any additional terms and covenants that are in the best interest of the City and consistent with this Supplemental Ordinance, and to execute and implement the Second Amendment (including the payment of any financing costs associated with the delivery of the Second Amendment), and such approval shall be conclusively evidenced by such individual’s execution thereof.

The authority granted to the Designated Representatives by this section shall expire on July 1, 2023. If the Second Amendment has not been executed by such date, the authorization provided herein shall be rescinded, and the Second Amendment shall not be executed unless such authority has been re-authorized by ordinance of the City Council at the request of the Board.

B. The terms of the 2020 Note shall otherwise be as set forth in the Note Purchase Agreement. The principal of and interest on the 2020 Note shall be due and payable at the rates, on the dates, and in the manner as set forth in the Note Purchase Agreement.
ARTICLE IV
