

Resource List

This is a list of the products and materials currently displayed at the City of Tacoma EnviroHouse. It is not meant to be a comprehensive list of all similar products available to you or a list of every business using or selling green building and energy-efficient materials and products. The City of Tacoma's intent is to encourage you to incorporate environmentally friendly products, materials and techniques during home improvement and building projects.

Text in italics denotes name, title, model, style or color of product.
