- I agree, as a neighborhood dog waste station sponsor:
- 1) To restock the station with bags as necessary.
  - 2) To track the approximate number of bags used.
  - 3) To inform the program coordinator if the station is damaged or removed. Dog waste stations will remain the property of the City of Tacoma.
- My property is part of a Homeowners association (HOA), and I have contacted the HOA and obtained prior approval to locate a station in our neighborhood.
