*Want to meet Rhubarb, the reindeer who loves to recycle?
Then go see a free movie at Cheney Stadium this summer.*

Tacoma's Environmental Services utilities – Solid Waste, Surface Water and Wastewater Management – help support the Tacoma Rainiers. In turn, Rhubarb reminds baseball fans how they can protect the environment.

You'll also be reminded to recycle when you take in free movies at the ballpark this summer.

The CAA Franciscan Health Summer Movie Series is set for these Fridays at 6:30 p.m.:

- June 24 – Alvin and the Chipmunks: The Road Chip
- August 19 – Inside out
- August 5 – The Goonies
- September 16 – Minions

No tickets needed.
Gates open about 6 p.m.

Movies are free to the public. Bring a picnic and sit in the outfield to take in a movie on the largest video board in the South Sound.
