Keep storm drains clear of leaves

Clogged storm drains can cause streets and homes to flood. Help prevent that by clearing leaves and yard waste from storm drains, sidewalks and curbs.

What to do with your leaves and yard waste:

- Use as compost in your garden
- Place in your brown yard waste container for pickup
- Take to the Tacoma Landfill, 3510 S. Mullen St., Tacoma (no additional fee for City of Tacoma residential customers)

Yard waste questions: (253) 591-5543
Report flooding: (253) 591-5585
www.cityoftacoma.org/leaves

TAGRO Natural & Sustainable

Using TAGRO products helps keep pollution out of our local waterways by minimizing the need for chemicals to grow brag-worthy bushes, trees, lawns and veggies.

Available for pickup or delivery.

2201 Portland Ave., Gate 6
(253) 502-2150

www.tagro.com

More ways to prevent pollution:

Practice natural yard care

To register for free natural yard care workshops, contact Geoff Rinehart at the Tacoma-Pierce County Health Department, (253) 798-4587.

- *Center at Norpoint: Sept. 21 & 28, Oct. 5, 6:30 to 8:30 p.m.*
- *Tacoma Nature Center: Sept. 16 & 23, Oct. 1, 7 to 9 p.m.*

Plant a tree

Did you know Tacoma residents can team up and get free street trees? Applications are due the first of each month, September through April. Call (253) 591-2048 or visit www.cityoftacoma.org/EvergreenTacoma.

Paid on street parking has arrived in Tacoma

We're making it easier for you to shop and do business in downtown Tacoma by implementing paid parking. Most spots will have a two-hour limit—ample time for lunch, a meeting outside the office or a stop at your favorite retailer. And the cost is minimal—75 cents an hour.

Paid parking creates greater parking turnover and helps eliminate circling the block to find a spot. You'll find the pay stations easy to use, and they'll take coins or credit cards.

Downtown Tacoma is the place to be, and to park. Come find your spot!
