

# *greener* dishwasher detergent

## Ingredients:

- 1 cup washing soda (*found near baking soda at the grocery store*)
- 1 cup borax (*in the laundry aisle at the grocery store*)
- ½ cup salt
- ½ cup Fruit Fresh (*found with food preservation products at the grocery store*)
- distilled white vinegar

## Directions:

Mix the first four ingredients together and store in a tightly covered glass jar or plastic container. Use 1 tablespoon per load. Add vinegar to the rinse dispenser for the best results.
