

# *greener* microwave cleaner

## Ingredients:

- 1 cup water
- 2 Tbsp. lemon juice
- 1 microwave-safe glass bowl or large glass measuring cup

## Directions:

Pour water and lemon juice into a microwave-safe glass bowl or measuring cup. Place the bowl or cup in the microwave and set on high for 3-4 minutes (until the water is bubbling and steam is rolling off). Then carefully remove the glass bowl or cup using potholders and place it in the sink. Moisten a wash rag or sponge and wipe out the inside of the microwave.
