

greener oven cleaner

Ingredients:

- Baking soda
- 1 clean spray bottle
- Water
- 1 sponge

Directions:

Sprinkle 1/4-inch-thick layer of baking soda over the bottom of the oven. Using a clean spray bottle, squirt the baking soda with water until the baking soda is thoroughly damp but not flooded. Wet the baking soda again 2 times over the next few hours and let the mix sit overnight.

In the morning, scoop the baking soda and grime out with a sponge.
