

greener tub & tile cleaner

Ingredients:

- 1-2/3 cups baking soda
- 1/2 cup high-quality liquid soap
- 1/2 cup water
- 2 tablespoons white distilled vinegar
- 16 ounce squeeze container

Directions:

Mix baking soda with liquid soap in container and dilute with water. Add vinegar and stir until lumps are gone. If it pours from container then it's the right consistency, otherwise add more water. Shake well before using. Use with sponge. Rinse well.
