

Are you being paid for this doctor's visit?

Since February 2016, Tacoma employers have been required to provide their employees with paid sick leave. Workers are eligible to earn one hour of paid sick leave for every forty hours worked. These paid hours can be used to take time off of work for health or safety needs.

To learn more, visit cityoftacoma.org/paidleave or call (253) 591-5306.
