

Take time for your family's health... without taking a bite out of your pay check.

Since February 2016, Tacoma employers have been required to provide their employees with paid sick leave. Workers are eligible to earn one hour of paid sick leave for every forty hours worked. These paid hours can be used to take time off of work for health or safety needs, including providing care for children who are too sick to go to school. To learn more about Paid Sick Leave or the City of Tacoma's new \$12.00 per hour minimum wage, visit cityoftacoma.org/employmentstandards or call (253) 591-5306.
