## 2020 Community Cleanup Application Help

The 2020 Community Cleanup application can be submitted by [using this link](#). Applications are due by the end of the day November 20th.

The application does not have a save and come back to finish feature so you will need to be prepared to complete the application when you begin. The application asks for:

- Organizer's Contact Information
- Alternate Contact Information
- Desired Cleanup Date
- Additional Neighborhood Groups in your cleanup
- Volunteer contact for the postcard information
- Does the cleanup location need a portable restroom?

If you have any questions or concerns about this application, please call 253-591-5693 or email [agibilisco@cityoftacoma.org](mailto:agibilisco@cityoftacoma.org)
